On and off the record Madison police to fight fires

An order Friday to Madison police by Chief Donald Bridick relates that police only will check out auto and weed fires. They are to put out such fires with fire extinguishers now carried in police cars.

The fire department is to be called for other fires.
Chief Bridick said the order was issued on instruction from Madison Mayor Mike Sasyk, who is interested in keeping

costs of all city operations, such as the fire department, to a minimum.
Bridick said this type of response by police is the practice in many cities, as it has proven less costly and more efficient to put out car and weed fires without summoning firefighters.

When such fires are to be extinguished by police, firemen will be called.

Leave of absence to Baetz

(14th in a series on politics in Madison County)
One of the most colorful and controversial Madison County Courthouse employees, Conrad "Pete" Baetz of the Sheriff's Department, is going on a leave of absence to work on the Martin Luther King Jr. assassination investigation.

Baetz, a deputy for seven years and an administrative aide and spokesman during the past three of those years, has been locked in a dispute recently with the Edwardsville Intelligence over handling and release of news.

The sergeant has definite views on how he believes news should be handled, and has been particularly in disagreement with county newspapers over whether rape occurrences should be reported.

Baetz asked and received from Sheriff John Maeras permission to take a leave for a year or "whatever it takes" to participate in the federal in- (Continued on Page 3)

GC budget hearing tonight

Granite City officials continued today in a series of budget meetings in an effort to finalize a 1977-78 appropriation bill in time for adoption in a special meeting at 7:30 p.m. today in the council chambers.

Budget discussions and computations also continued through the weekend following a four-hour informal meeting of City Council members Thursday night in which projected expenditures for the current fiscal year were revised to conform with a \$4,715,000 anticipated income in the general fund.

The long-range development plan of Granite City in 1968 contains the future land use and

revenue sharing fund budget totaling \$936,953. The revenue sharing fund budget is in addition to the regular operating budget.

That budget also is expected to be approved during the special council session which was scheduled to speed up budget adoption to meet statutory deadlines requiring cities to complete budget preparation by the end of this month. The budgets also must be published before the July 31 deadline.

Thursday night's informal meeting was called after the council's Finance Committee, headed by Seventh Ward Alderman Paul Ray Bowler, submitted to the council last

week an overall city budget of \$7,435,211, including projected expenditures from both the general fund and the city's special accounts.

At that time Mayor Paul Schuler told the council the general fund budget figures were far too high and would have to be trimmed to conform more closely with the city's anticipated income from taxes, licenses, fees and other forms of revenue.

City Clerk Robert W. Stevens told the Press-Record that it was determined during the Thursday session that an additional \$416,000 would have to be added to the original budget projection of \$7,435,211 to account for expenditures of

Community Development, a power, housing rehabilitation funds and other revenue that comes from state and federal sources.

Actually, Stevens said, this brought the original budget estimate to \$7,851,109. Finance officials then deducted from the budget the projected appropriations of the special accounts that are financed by separate revenues, such as the public library, the sewage treatment plant, parking meter operations and motor fuel tax fund projects.

As of today, Stevens said, the general fund budget is projected at \$5,017,344, or \$301,621 more than the city's anticipated income in the

general fund. Elimination of some budget items is expected to bring this figure down to a point nearer the \$4,715,000 in estimated income.

One of the major budget problems is in meeting a salary raise of about 6 per cent for all city employees. The higher salary figures will be incorporated in the new budget.

Stevens said a total budget figures is not expected to be computed until later today, but that he is certain that final figures will place the city's projected expenditures with the scope of its anticipated revenue.

As a home rule city, Granite City is not limited in its tax levy (Continued on Page 4)

GC-Venice highway link ceremony set

Governor James R. Thompson and Illinois Department of Transportation Director John Kramer may attend ribbon-cutting ceremonies here Friday to open the new stretch of FA Route 151 from Niedringhaus Avenue to McKinley Bridge in Venice.

Opening of the new roadway as another link in the Great River Road system was scheduled for Friday after highway workers began completing work on guardrail installations, shoulder work and striping of highway lanes.

Time for the ceremony will be set later after schedules are checked to determine if the governor and Kramer will be able to attend on that day.

Harold Munro, district engineer of Illinois Highway offices at Fairview Heights, said virtually all work on the new stretch of highway has been completed.

The 1.5 mile of FA Route 151 extends from the Army Installation gate at the end of Niedringhaus Avenue to the eastern approach of McKinley bridge at Venice, where it also ties in with approaches to the Broadway underpass and relocated Broadway tracks.

Work to extend the highway southward began in late 1974 after the Department of Transportation awarded a contract to Hoeffken Bros. Contracting Co. of Belleville to build the overpass at Chicago Avenue, a grade separation necessary to carry the River Road over the railroad tracks at the Army Installation.

lowest of five bids received on the project.

Hoeffken Bros. Contracting Co. also was the low bidder and was awarded the contract for the paving work and highway construction of the new Granite City-to-Venice stretch of the new roadway.

The construction contract was awarded in October 1975 on a bid of \$4,304,215, the lowest of four bids received.

The new stretch of four-lane

highway will be a vital factor in expediting traffic over Broadway in Venice and will carry a large volume of traffic, particularly heavy truck traffic, that previously has had to pass through downtown Granite City.

The Great River Road is designed to eventually continue southward from Venice, generally following the present Route 3, to continue through Brooklyn and East St. Louis.

Otto Romann, pioneer farmer in area, dies

Otto H. Romann, 86, of Engineers Road, was stricken suddenly and died at home on Thursday.

He was pronounced dead at 3:20 p.m. by William Sternberg, deputy coroner of Madison County.

A lifelong resident of the area, he was a farmer and operated a tractor agency for 45 years. A World War One veteran, he was a lifetime member of the Odd Fellows, a member of the Granite City Optimist Club, director of the First Granite City National Bank, Masonic Lodge 835, Royal Arch Masons, Ainal Shrine Temple, Commandery and Knights Templar 81.

He is survived by his wife, Mrs. Bernice Romann, two daughters, Mrs. George (Audrey) Freas of Franklin, Ky., and Mrs. Edgar (Carol) Scherick of Beverly Hills, Calif.; one brother, Eck Romann of Granite City; one sister, Mrs. Emmet H. (Velma)

OTTO H. ROMANN

Carragher of Granite City, eight grandchildren and one great-grandchild.

Funeral services were held today. Details are given in the obituary column.

WINDSTORM DAMAGE SUNDAY. At 5:25 p.m., wind uprooted this tree at the home of Carol Harbey, 1630 E. 23rd St. near Lee Ave., causing it to damage the trunk and right rear of her auto. A neighbor is

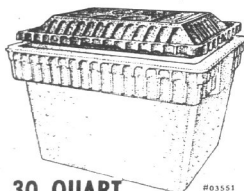

inspecting the damage while the owner descends the stairway in the left background. She had just parked the car after purchasing paint.

Donna Meyer bride-elect

Mr. and Mrs. Carl K. Meyer of Grantwood Village, Mo., announced the engagement of their daughter, Donna Elizabeth to Kevin Joseph Froehrkob of Edwardsville, at a dinner party held in their home for members of the families and their friends.

Miss Meyer resides in Edwardsville while completing her bachelor's degree in nursing at Southern Illinois University at Edwardsville. She will graduate in March 1978.

Her fiancé, formerly of Granite City, is a son of Elwood Froehrkob of Glen Carbon and Mrs. Katherine Bell, Clearwater, Fla.

He is a 1969 graduate of Granite City High School and he graduated with honors from SIUE in December 1976, with a degree in psychology.

The groom-elect is a member of Psi Chi National Honor Society and presently is completing his masters degree in clinical psychology at SIUE.

A June 18, 1978 wedding is being planned by the engaged couple.

Leo J. Kellys mark golden wedding day

Mr. and Mrs. Leo J. Kelly Sr., 2729 Madison Ave., celebrated their golden wedding anniversary last week with a special mass and family dinner party.

The couple was married at Sacred Heart Catholic Church, where a mass was offered by the Rev. James Hill in their honor.

Following the service, Mr. and Mrs. Kelly renewed their wedding vows, and a brunch was served to mark the occasion.

Mr. Kelly retired some years ago from Shell Oil Refinery in Wood River.

The couple has a daughter and two sons. Another daughter, Mrs. Joseph (Winifred Kelly) Lachner, who

resided in Houston, Tex., is deceased.

They also have 20 grandchildren and three great-grandchildren.

They also have 20 grandchildren and three great-grandchildren.

Their five decades of marriage were also celebrated with dinner at the Black Forest restaurant in St. Louis.

Among the guests were their son-in-law and daughter, Mr. and Mrs. Leo J. Kelly Jr., and Mr. and Mrs. Richard Kelly, all of Granite City.

Also present was Mrs. Martha Tierney of North Hollywood, Calif., a sister of Mrs. Kelly.

Gardenaires Club hears environmental report

Mrs. Charles Kohl, conservation co-chairman of the Gardenaires Club, introduced two young people who were sponsored by the club to attend a Touch of Nature Environmental Workshop at the LaRue-Pine Hills Ecological Area, located in Southern Illinois's Swanee National Forest.

Sheila Hintz, a daughter of Mr. and Mrs. Robert Hintz, and Joe Thomas, a son of Mr. and Mrs. Vernon Thomas, gave a report on their canoeing experience on the Big Muddy and the LaRue Swamp as well as their backpacking expeditions. The two young people reviewed knowledge gained by existing with nature at the summer project.

Mrs. Richard Kerch entertained the group in her home and Mrs. Mary Kristian, president, presided at the session.

Members answered roll call by naming a wild flower on the protected plant list.

Plans were finalized to host the President's Council, District V meeting to be held on Oct. 27 at St. John United Church of Christ.

Mrs. Earl Glenn, mini-garden chairman, announced the new display at the library is entitled, "Summer Colors in Difficult Spots" and books and magazine articles are available on the subject.

A rose show was held during the weekend at Jamestown Mall, St. Louis, according to Mrs. C. E. Ends.

Others present were Mesdames Tom Layloff, William Long, A. A. Matlock, The Shannon and Robert Hintz.

The next meeting will be held in the home of Mrs. Long, at 10 a.m. on Aug. 11.

Hoffman family reunion held

The Hoffman family reunion was held last week at the home of Pearl Hoffman Ellis, 3048 Nameoki Drive, with eleven children of the late Andrew and Mamie Hoffman, still living, it was noted.

Mrs. Isabelle Becker baked a birthday cake with everyone's name inscribed and those attending enjoyed a covered dish luncheon and fish fry.

During the afternoon various games were played including horseshoes, and the youngsters participated in swimming and water games.

Those attending were Mr. and Mrs. James Perkins and Bobby and daughter Julie of East Alton, Mrs. Margaret Perkins, Andrew Hoffman, Mr. and Mrs. Richard Crabtree and Richard and Warren of Wood River, John Hoffman, Austin, Minn., Mr. and Mrs. John Hoffman Jr. and children Stacy Lynn and Christina, Viola Hoffman, Mr. and Mrs. Fred Hoffman and Eric, Christ Hoffman, Mr. and Mrs. Allen Waggoner, Mr. and Mrs. John Heath and Richard, Mr. and Mrs. Philip Heath and children, Lori, Aaron and Zachary, Mr. and Mrs. Eugene Hoffman, Carol Lynn and Phyllis Ann Ellis, Mr. and Mrs. Tommy Ussery Jr., all of Granite City, Mr. and Mrs. Adam Becker and Susan of Maryville, Mr. and Mrs. Paul Hoffman, Litchfield, Mo., Mr. and Mrs. Horace Hoffman, Berkeley, Mo., Mr. and Mrs. Roger Hoffman, Chesterfield, Mo., Mr. and Mrs. David Hoffman and children Tara and David, Mrs. Donna Stone and son Earl Scott, Mr. and Mrs. Glen George and children Glen Jr. and Lisa.

Miss Mary's Hospital in Richmond Heights (Clayton), Mo. She weighed six pounds and three ounces.

The mother will be remembered as the former Miss Kathleen David, a daughter of Mr. and Mrs. Robert David of Granite City.

Mr. and Mrs. Fred Pieper of Granite City are the paternal grandparents.

The maternal great-grandparents are Mrs. Anne Buchner of Granite City and Lindell David of Kingman, Ariz.

Mrs. Elizabeth Dutchik, the paternal great-grandmother, lives in Granite City.

BRIDGE TEAM WINNERS
Kish DeVara, 3825 Gas Light Walk, Granite City, Nancy and Al Brown, Rissell, Ill., and Mary Dye, of Lombard, Ill., were members of a team that tied for fourth overall in the two-session Swiss Teams Championship of the American Contract Bridge League's Summer North American Championships in Chicago, July 15-24.

NEW GLASSING STONE WORK
ARRIVING CONSTANTLY
OPEN SUNDAY

COCAGNE
Monument Works
1711 State St. 876-0426

Due to the current strike of the International Brotherhood of Electrical Workers against Illinois Power, the company's supervisory personnel worked all night to repair damaged equipment and restore service to homes and businesses.

The initial storm struck the area about 3 p.m. Sunday and the second swept through the region shortly after 4 a.m. Monday.

At 3:30 p.m. Sunday, a bolt of lightning struck the corner of the Tri-City Park Tabernacle Church, Clark Avenue and Macysville Road, creating a hole in the roof and shorting out electrical fixtures.

Granite City firemen were at the scene about 40 minutes. Damage was estimated in excess of \$2,000.

At 4:15 a.m. today, siding near a meter at the rear of the Robert Bates residence, 2332 Lincoln Ave., ignited as the result of a fallen limb which knocked out power lines. Firemen were summoned to the home and remained there about 45 minutes. No estimate of damage was given.

Among numerous instances of downed power lines were those in an alley at the rear of the 2100 block of Lee Avenue, noted at 6 p.m. Sunday.

Lightning struck a transformer at the International House of Pancakes, Nameoki and Pierson roads. Lights were functioning, but other power sources were knocked out.

Power to the restaurant was restored about midnight. Mathias said, noting the staff had closed the facility and left prior to that time.

A brief power outage, lasting less than five minutes, occurred at the Press-Record building a few minutes after 5 p.m. Sunday, causing computerized equipment to cease functioning and emergency lighting devices to activate.

No generators were struck by lightning, Mathias reported. The IFC office was flooded with telephone calls the area manager commented.

Many residents experienced loss of power in their homes for varying time periods, generally lasting only a few seconds, as power was switched over to alternate sources, bypassing overloaded or damaged equipment.

Thousands of residences in St. Louis County communities remain without power this morning.

Long Lake Fire Chief C. Arnold Rutherford reported that his department was called out three times Sunday due to the storm.

Two calls at 5:21 p.m. and 5:30 p.m., were in the Pontoon Beach area to stand guard while waiting for the power company, after power lines had fallen.

The firemen were called to 1606 Sycamore Ave., at 9:01 p.m. A limb had knocked down a power line there.

The Madison and Venice street departments reported several large tree limbs down, but no major damage.

At Pontoon Beach at about 9 p.m., a large bolt of lightning caused a fire to start near the Pontoon Beach police department.

Between 4:55 p.m. and 5:09 p.m., Granite City police received nine burglar alarms, all false and believed set off by high winds or tree limbs. There also were five auto accidents between 5:01 p.m. and 5:30 p.m.

Alarms sounded at 5:30 p.m., 6:12, 6:20 and 6:30 p.m., all false alarms. Police were called to aid Granite City firemen at Madison. They are now members of St. Pedro Church in North Port.

Golden anniversary of Mr., Mrs. Mark Krizan

Former Quad-City residents, Mr. and Mrs. Mark Krizan, who now reside at 331 Freemont St., North Port, Fla., celebrated their 50th wedding anniversary at a reception given last week at the VFW Hall, Granite City. The honorees renewed their marriage vows at St. Elizabeth Catholic Church in the presence of Father Kenneth Becker. Mr. and Mrs. Krizan were married on July 16, 1927, at St. Mary's Catholic Church in Madison. They are now members of St. Pedro Church in North Port.

Kr. Krizan retired from Granite City Steel in June 1972 after 44 years of service, and he and his wife moved to Florida.

\$500 DAMAGE TO CAR
The Granite City Fire Department spent 30 minutes extinguishing a fire in an auto at 7:20 a.m. Sunday, parked at 1212 Meridian Ave. There was \$500 damage to the car owned by Michael Whitford and a carburetor backfire is believed to have caused the fire.

FIRE DAMAGES AUTO
A short-circuit in wiring of an auto owned by Carol Kimbro was believed to be the cause of a fire and damage set at \$1,800 to the car, parked in the alley between State Street and Grand Avenue at 18th Street, at 6:30 p.m. Sunday. The Granite City fire department was at the scene for 40 minutes.

BURGLAR ENTERS HOME
A burglar is believed to have entered the home of Mrs. S. Svoboda, 4046 Vesel Ave., but nothing appeared to be missing, it was reported at 10:45 p.m. Tuesday. The glass in the broken in a rear window and the frame was bent.

HURT IN ACCIDENT
Mrs. Jeanette Nix, 22, of 2313 Cardinal Ave., was treated at St. Elizabeth Hospital at 4:10 p.m. Thursday for pains in the back, which she injured in an auto accident about two hours earlier. X-rays were negative and she was released.

FORGERY ALLEGED
The signature on a \$150 check, cashed at Tri-City Grocery store, Bellemore Village Shopping Center, was found to be forged, it was reported Thursday. The check was drawn on the account of a Granite City tavern.

PURSE WITH \$30 TAKEN
Entry was gained Friday through a back door at the home of Shirley Jordan, 1655 Third St., Madison, by a thief who removed a purse from a bedroom. It contained \$30.

NAME CORRECTION
Richard Craycraft is the owner of Craycraft's Tavern, 1034 W. 20th St., where an incident occurred last week involving girls taking clothes from an outdoor line. Another name was inadvertently used in a previous issue.

GRANITE CITY PRESS-RECORD

Threat with Bowie knife

Threatened with a Bowie knife and a seven-inch blade, Norma L. Hodges, 26, a driver for Dave's Taxi, gave two armed robbers \$40 in cash and personal papers including a railroad charge ticket at 4:45 a.m. Saturday.

The driver picked up the two men at Briarcliff Drive and Pontoon Road. They told her they wanted to go to the A. O. Smith Corp.

As the cab neared the area of the Connadanes nursing home, she was ordered to stop and then was threatened.

The two men were described as being in their early 20's, about 160 pounds, both with short hair and wearing blue jeans.

Car is burned

Arson is suspected as the cause of a fire which destroyed the auto of Mike Lewis, 2023 Madison Ave., behind Lewis' home between 1:15 a.m. and 3:40 a.m. today.

Firemen found a can of charcoal lighter and several burned matches inside the auto. Damage was estimated at \$1,200. An investigation is under way, firemen said.

Postpone trial

The trial of Nicholas Hammond, 24, St. Louis, in connection with the alleged rapes of two young women on Chouteau Island Aug. 7, 1976, has been postponed until the court's September docket.

The trial was to begin one week ago in Granite City before Circuit Judge William Beatty, but a change of venue was granted to Circuit Judge Moses W. Harrison II.

Because Hammond's attorney has been requested to withdraw from the case, the trial has been postponed.

Three other men have been convicted in connection with the case as are appealing the convictions.

\$15,000 suit

William E. Jackson has filed suit in Madison County Circuit Court seeking \$15,000 from the Terminal Railroad Association of St. Louis.

Jackson alleges that on Feb. 16, 1977, while employed by the railroad as a welder, he was injured when he slipped and fell between railroad tracks while attempting to replace iron on a bridge.

vestigation of the death of Rev. Dr. King

He will be a field investigator for the U. S. House Select Committee on Assassinations. Active on a leisure-time, unpaid basis with the committee since February, he will work full-time on information related to convicted killer James Earl Ray.

Ray, recently in the news for a prison escape and capture, spent much of his life in the Alton area of Madison County. Baetz is the son of the late Emerson Baetz, an active Alton attorney for many years.

Baetz will report to Washington on Aug. 1 for briefings and then probably will be assigned to the Midwest, possibly at an office in St. Louis.

Baetz has been critical of some of the news media in recent months for the way they have been written regarding a continuing federal investigation of past actions and allegations by some members of the Sheriff's Department.

railroad crossings under study. These delays could easily be a matter of life or death.

In 1974, Granite City initiated a study to eliminate a transportation problem that had been facing its citizens.

This study was to determine which of these crossings would be most beneficial to grade separation — Niedringhaus, 19th or 20th. A corridor evaluation was made for each of these alternate locations, and the findings were presented to the public at information meetings on March 10, 1975, and April 29, 1975.

Public opinion definitely favored the 19th Street corridor. From an engineering and environmental standpoint, this same corridor is also the most desirable. Each of the alternate crossings has gates, signals and alarm bells.

Each is recognized to be on a major street system that serves the local community, and any selected route will tend to serve a function of a business route into the Downtown Granite City area.

According to a recent survey of the use and speed of trains at various crossings throughout the city, the three crossings in this study — Niedringhaus Avenue, 19th Street and 20th Street — have the highest exposure factor (a measure of interference) in the city.

During a 24-hour period, one, two or all three of these streets are blocked from five to 15 per cent of the time.

Most of the closure time occurs during the morning and evening rush periods. During rush hours there is a 50 per cent

chance of delay at these crossings.

Presently, traffic is complicated by the fact that the Granite City bypass (FAP Route 151) is only partially complete and has its southern terminus at Niedringhaus Avenue, thereby causing some of the additional traffic on each of these three streets.

Traffic forecasts for the year 1990 require two 12-foot lanes of traffic in each direction, regardless of which street is grade separated.

A four-foot median will be provided to separate opposing traffic, and a sidewalk will be provided on one side of the bridge.

A minimum of 80 feet of right-of-way will be required for the project.

Each alternate improvement is essentially along existing streets, and only minor right-of-way acquisitions will be required.

All alternates on the project are generally within industrial or commercial surroundings, and no impact on the social and economic environment is expected.

A do-nothing alternative would mean that grade crossing would continue to exist, and the problem pointed out earlier would only get worse as traffic increases.

A grade separation structure at 19th Street would be approximately 975 feet long and cost \$3,088,000.

The approaches to the bridge would be confined between retaining walls with a maximum grade of five per cent.

It would be necessary to close Adams Street at its intersection with 19th Street and modify the

intersection of Benton with 19th Street.

Since the existing right-of-way for 19th Street is only 60 feet, an additional 20-foot strip would have to be purchased.

This strip would be taken on the south side of 19th Street east of the tracks and on the north side of 19th west of the tracks.

The reverse curve would be placed in the approach section as much as possible.

There would be no houses or businesses taken. East of the tracks, frontage would be taken from two businesses — the Prairie Farms Dairy at the corner of 19th and Benton, and the Lybarger Materials.

Access to the Sidner Supply Co. property would be relocated from 19th to Adams Street.

West of the railroad, frontage would be required from vacant property owned by Archer-Daniels-Midland.

Access to this property will be restricted to 20th St., which has 600 linear feet of frontage.

Power lines and a water main will have to be relocated along 19th Street for a portion of the route.

Care in location of bridge piers will be required to cross the gas transmission line on the east side of the railroad. Utility relocations will not cause disruption of service.

Based upon the air quality analysis along this route, the 19th street will have the least effect on air quality, and the grade separation would show an improvement in the air quality.

The existing ambient noise level of 75 to 80 decibels will not be affected by the improvement.

In fact, with the improvement, the noise level due to traffic will be lower.

A review by the state historic preservation office of the structures along this route indicates that the project will not affect historic architectural buildings in the area.

Only negligible differences are discernible in relation to noise pollution, air quality, utility relocations, service and overall economics.

The economic impact of acquiring and relocating businesses and homes, and the adverse effect on historic structures on the alternatives, lend credence to the conclusion that neither Niedringhaus Avenue nor 20th Street should be used.

Based on analysis of the factors and on the input from the public informational meetings, it is concluded that the most desirable, least disruptive and most economical alternate is to build a grade separation structure at 19th Street.

It is also concluded that the project is not likely to precipitate significant changes in land use or development patterns and, consequently, is not considered to be a major federal action.

In the 19th Street overpass design, the proposed structure which extends from Benton Street on the southeast to the junction of 19th and 20th Streets with Rock Road on the northwest would utilize a 30-mile-per-hour design speed, provide two 26-ft. traffic areas with a four-foot median width, and a sidewalk on the north side of the roadway.

It would also require shifting of the centerline ten feet to the southwest of the existing centerline near Benton Street.

Then, as one proceeds in the northwesterly direction, there is a small deflection to the right with a curve, and at another point there is another small deflection to the left with the same degree of curvature.

This procedure will then have the centerline ten feet northeast of the existing centerline. The shifting of the centerline produces minimal right-of-way acquisition and does not present any deficiency in design.

One access is required to provide access to Lybarger Material Co. There presently is access through the Prairie Farms Dairy property — the dairy's truck loading dock connects directly with a roadway within Lybarger property.

Also, one entrance onto 19th will have to be relocated to 19th Street for truck access to the ADM property just west and south of railroads and 19th, respectively.

ADM property has almost a 600-ft. frontage on 20th and an entrance here would actually improve operation movements for ADM.

The project will require the acquisition of an estimated 94,000 square feet of right of way from three businesses.

None of the businesses would have to relocate, but would

GC budget

(Continued from Page 1)

powers and, if necessary, could increase tax rates to provide the funds necessary to meet an increased budget.

Last year's city appropriations totaled \$6,149,884 in the general fund and special accounts.

This was in sharing to a federal revenue sharing fund budget totaling \$934,273, for an overall total budget of \$7,084,157.

require some modification of buildings on two of the tracts.

This project will involve some major utility adjustments.

A major water main 18 inches in diameter will have to be relocated for a portion of the route (Benton to the railroad) and is owned by the Interurban Water Co.

A power pole line (Illinois Power) and a telephone line (on poles of Illinois Bell) will require adjustment.

A buried gas service line (Illinois Power Co.) will require adjustment.

With the railroad right-of-way, there are two utility crossings, one a 10-inch high pressure transmission gas line (Mississippi Transmission Co.) and the other sewer, very old, of the City of Granite City. These lines will have to be protected, but movement is not necessary.

It is expected that all of the mentioned utility adjustments can be accomplished with the aid of services to area residents and businesses.

During construction, it is recommended that 19th Street be closed at Benton to 20th, and that all traffic be routed over local streets.

This will cause minimal disruption in overall traffic patterns. No significant delays due to construction of the improvement are anticipated.

There are letters from property owners affected by the 19th Street alternate, indicating their desire for the project, their understanding of the public hearing requirements, and their statements that they do not wish to have an additional hearing held.

This is in accordance with the Illinois Action Plan, and the federal requirements for public hearings. Advertised notices for opportunity for public hearing were made.

It is recommended that a railroad grade separation of FAIS Route 9085 (19th Street)—over the Illinois Terminal Railroad, Terminal Railroad Association, Illinois Central Gulf Railroad and Norfolk and Western Railway in Granite City—be constructed.

This grade separation will provide a safer roadway that will eliminate congestion and delays and will provide a better operational facility.

Receive bids for new county jail as prisoners seek release from old one

As Madison County officials prepare to open by Aug. 24 for construction of a new county jail in Edwardsville, eight inmates of the present century-old jail have filed suit against Madison County Sheriff John Maeras seeking release from the jail due to allegedly "cruel and unusual punishment" related to the jail's condition.

The prisoners mailed a handwritten suit to the Third Judicial Circuit Court seeking a writ of habeas corpus and asking that Circuit Judge Harold R. Clark hear the case and a public defender be appointed to represent the prisoners.

If Judge Clark decides not to hear the petition, the prisoners

are requesting that Circuit Clerk Willard V. "Butch" Portell file the petition with the Federal District Court in Alton for a federal hearing.

The eight allege unsanitary conditions, overcrowding and a lack of toothbrushes, toothpaste, towels, soap, toilet paper and other necessities for prisoners.

The county is awaiting final approval of the new jail specifications from the Illinois Department of Corrections.

before awarding construction contracts, possibly at the County Board's September meeting.

Architect Henry Gabriel of Granite City has trimmed the design of the new jail in hopes bids will be within the \$4 million in bonds the county has sold for the construction.

Previous bids received before the plans were revised were about \$2.5 million higher than anticipated, and hoped for federal supplementary funds failed to materialize.

Boy badly beaten

Craig Pilger, 13, of 1316 Edwardsville Road, suffered multiple injuries when he was beaten in the 1200 block of Rhodes Street at 8:05 p.m. Sunday.

The Pilger youth said a 14-year-old boy beat him, but police have already obtained statements from two boys that about four youths were involved in the beating.

The youths ranged in age from 14 to 18, police believe, and one witness reported the four "took turns" beating, kicking and "slopping on" Pilger.

Jeff Perryman, 18, of 2645 E. 24th St., saw the beating and tried unsuccessfully to stop it, he told authorities. Perryman also was injured.

Granite City police juvenile authorities are to talk to several youths today in connection with

the beating and said petitions may be filed in juvenile court against some of those involved.

The Pilger youth and Perryman went to St. Elizabeth Hospital for treatment and Craig Pilger was admitted for observation of possible internal injuries, including a possible ruptured spleen and broken ribs.

His nose appeared broken and the right side of his face was swollen. He had abrasions to his nose, lips and right ear, and told him he was beaten to his back and stomach.

Perryman said his right arm was struck when he attempted to halt the beating and the arm was swollen. Ice was applied and the arm was x-rayed and placed in a sling. He was released from the hospital.

Accept bid on pistol range

A revised bid for construction of the proposed police pistol range on the Army installation grounds at the city's sewage treatment plant was accepted by the Granite City Council last week.

The contract for the work was awarded to the Paul Seebold Construction Co. on a bid of \$53,950. Cost of the work had been estimated at \$48,516.

The police department has \$36,000 to apply toward construction of the new pistol range, a project that has been under consideration for more than a year. The balance of the cost will come out of federal revenue sharing accounts.

Rape alleged

A 25-year-old Lincoln Place man is being questioned by Granite City police in connection with an alleged rape reported by a 17-year-old Edwardsville woman Sunday morning in Granite City.

The young woman reported she was sleeping at a friend's home here when she awoke to find a man in the bedroom. He told her, "Be quiet and you won't get hurt."

The man later left Sunday in the bedroom and she called police at 3:15 a.m. Sunday. Officers arrested the man in the bedroom and held him pending further investigation.

Burglary on Wilson

Two jars of pennies, a gold clock and a calculator stolen during a burglary at the home of James Jones, 2200 Wilson Ave., were found under a bush in the front yard when a burglary was discovered at 7:35 a.m. Sunday.

A West side window was opened to gain entry. It is not known if anything else was stolen from the home.

Harris Head-Start students graduate

Head-Start children at Harris school had a "graduation" ceremony at their school Thursday, complete with a processional, speeches and songs, prior to their receiving certificates of completion.

Mrs. Addie Darden, Head-Start teacher gave the welcome, followed by the songs to the flag and patriotic songs.

The program included a brief talk to the parents on their involvement by Mrs. Judy Zeisel.

Other remarks were made by John C. Rush, Head-Start director, and John Palchiff, superintendent of Madison schools.

Children completing the program were: Donnie A. Brown, Tobie Buckingham, Mercy Cuevas, William Dailey, Theresa Foreshee, Joseph Hamn, Harold Hunter Jr., Terry Cunningham, Trevous Ellison, Misty Householder, David Mason Jr., Sidney McCormick,

Christy Phillips, Ira Rockett, Rodney Sanders, Steven Stett, LaShonda Smith, Amber Thomason, Saroyn Turnage, Valonda Turner, Nichole Williams, Marshall Coleman, Robert Simpson, Nicole Jenkins, Gerry Johnson Jr., Susan Mangiaracino, Blaine Parron, Donovan Spiller, Carmel Unnige, Thomas Wallem Laura Zeisel, Ronald Bright, De Anna Brown, Tonya Collins, David Dorris, Mary Gray, Kenneth Hill, Todd Housend, Catherine Modrusic, Steven Morgan, Tracy Richwine, Matilda Savage, Byron Terrell, Kelly Watkins, David Wright Jr., Thomas Morrison, Regina Nance, Jennie Smith, Chris Trebing, Deonna Williams, Rosie Young, Rachel Giles, Richard Allen Smith, Carry Beadle, Nechelle Branch, Robbie Coleman, Dominic Dunnivant, Charles Fisher, Tracy Holman, Jennifer Kaych, Steven Mainridge, Mando Martinez.

HAPPY "GRADUATES" from the Harris School Head-Start program at Madison smile Thursday after "graduation." Front row, from left, are Amber Thompson, Kenneth Hill, Gray Johnson and William Daily. Second row, Kelly Richwine, Deanna Williams, Regina Nance, and Volanda Truner; third row, Tracy Richwine, Nichole Jenkins, Christie Phillips, and Jennifer Kaych.

Teacher job crunch workshop in August

Teachers caught in the job crunch can get help in choosing alternative careers during a conference and workshop to be held Aug. 10 from 9 a.m. to 5 p.m. at Southern Illinois University at Edwardsville, co-sponsored by the School Education and SUE Placement Services.

David R. Van Horn, director of University Placement, said the workshop is designed to meet the current needs of three groups: persons trained in teacher education who have not yet found a job; persons who have been honorably dismissed from a teaching position due to curtailment of school services and seek to relocate or to find a different occupation; and persons who have been out of teaching for a time and want to know about job opportunities in and outside the field of education.

"The sessions will deal with alternatives outside education," Van Horn said. "They will also provide information about other

possibilities in education and give specific help in planning a job campaign."

Registration begins at 9 a.m. in the Illinois Room of the University Center. At 10:30 a.m., area professionals will participate in a panel presentation on alternative job selections.

Panel members are: Robert Bruckmann, director of personnel for Alton Box Board; Vance White of the State of Illinois Personnel Office; Van Williamson, career education specialist for the U.S. Navy; Paul Severian, education specialist for Illinois Bell Telephone.

Charlene Galloway, personnel staffing specialist for the U.S. Civil Service Commission; Ron Lucas, manager of recruitment for Venture; Warren Woolver, administrator of corporate employment for Ralston Purina; and Donna Weatherly, district advisor of the River Bluffs Girl Scout Council.

Following a luncheon, workshop participants will have group informational sessions with the personnel experts. Alternatives in teaching, ranging from educational media to school psychology, will be discussed from 3 to 4 p.m.

A skill development seminar, discussing aspects of the job campaign, the interview, letters of inquiry and resumes, will be held at 4 p.m.

Van Horn said anyone interested in participating in the workshop should contact his office by Aug. 1. The \$5 fee for the workshop includes a luncheon.

To pre-register or for more information on "Help for Teachers in the Job Crunch," Quad-Cityans may contact David Van Horn, University Placement, SIUE 62026, or call 692-2800.

TREATED AT HOSPITAL. Miss Nadine Pointer, 19, of 122 Greiner Homes, Madison, was treated last week at St. Elizabeth Hospital for pain in the neck area, resulting from an injury incurred in an auto accident. She was released.

Press-Record photo in health magazine

A photograph taken by Press-Record staff photographer Joseph "Pat" Foley, May 16 at American Steel Foundries, Granite City, is featured in the July-August edition of Journal of Breathing, a publication of the Illinois Lung Association, Springfield, Ill.

The health publication, published 11 times a year, is distributed internationally to more than 7,000 persons who work with, or are interested in, the causes, control and prevention of lung diseases.

The photograph published in the Press-Record Thursday, May 19, shows Mitchell B. Milonski, works manager of American Steel, receiving an ILA award "for improving the quality of life by working for cleaner air."

The Granite City industry was one of seven plants in Illinois to be honored. Another Madison County industry, Olin Corporation, East Alton, received a similar award.

There's nothing inexpensive about a trip to the hospital

Veterans' office funded

The Veterans' Cost of Instruction Program at SIUE has received a grant of \$38,870 from the U.S. Department of Health, Education and Welfare, according to Terry D. Campbell, coordinator of the Office of Veterans Affairs at the university.

Campbell said this money will be used to provide the required services of the SIUE Veterans Office. Required services include: operating a full-time office to assist veterans with all types of problems, such as financial, personal and academic; maintaining an outreach and recruitment program; and providing services such as tutoring for educationally disadvantaged veterans.

The office also helps veterans with less-than-honorable discharges get their discharges upgraded and provides employment assistance and financial counseling for home loans.

"Right now, our emphasis is on outreach, contacting educationally disadvantaged veterans, and directing them into educational and training programs," Campbell said. "We try to direct veterans into what is best for them whether it is an academic program at

SIUE or a technical program at another school."

EVERYTHING IS DUCKY for this young couple of music lovers during a performance by the St. Louis Symphony Orchestra at the Mississippi River Festival on the campus of Southern Illinois University at Edwardsville. This candid picture of the two and their duck under the Festival tent was taken during a performance of Tircull's "Percussion Concerto." Since the concerto calls for more than 60 percussion instruments, the duck might have been a symbol of all the percussionists who have "quacked up" when confronted with the work's difficult drum solos, a River Fest spokesman commented.

Funds for energy costs
 The Madison County Economic Opportunity Commission (EOC) has established an energy hotline for use in the special energy assistance program which began last week.
 The hotline telephone number is 466-4747 and is in operation. Agencies and individuals can use the hotline to obtain information about eligibility qualifications and places to apply for the program.
 The purpose of the program is to provide fuel payments assistance to low income residents affected by last year's severe winter and the increasing cost of heating energy. Eligible individuals and families can qualify for up to \$250 paid on their utility or fuel company bill.
 Madison County is to receive a total allotment of \$281,666 which must be spent by Aug. 31. Any remaining funds not spent in the county will revert to the state for use in weatherization activities.
 Allocations will be based on the number of persons in a family and the income of the family. Information of the qualification levels may be obtained from any of a number of administration centers being established to handle the program.
 In the Quad-City area, application centers have been located as follows:
 Venice Township, Christ Pashoff, supervisor, 1502 Fifth St., Madison. Contact Carmen Bridick or Louise Papa at 432-1121 on Monday through Friday, 9 a.m. to noon. Appointments preferred but not required. Applications may be filed by any Venice Township resident.
 Anchorage Homes senior citizens, 2910 Edwards St., Granite City. Contact Neva Werth at 876-3481. Monday through Friday from 9 a.m. to 1 p.m. Applications accepted from senior citizens and any disabled person.
 Granite City Council on Senior Citizens, 2910 Edison Ave., Contact Carrie Hart at 877-4373. Monday through Friday from 8 a.m. to noon, for senior citizens 90 or over.

Seven couples divorced
 Seven Quad-City area couples have obtained divorces in Madison County Circuit Court. Granted divorces were:
 Evelyn (McElvain) Fuller from Charles Fuller, both of Granite City. They were married March 3, 1967, and separated Dec. 26, 1976. Mental cruelty was charged. Her former name was restored.
 Christine E. (Toth) Fine from Bradley H. Fine, both of Granite City. They were married Aug. 14, 1976, and separated April 18, 1977. Mental cruelty was charged. Her former name was restored.
 Marian Rita Winters from Jonathan Leslie Winters, both of Granite City. They were married Dec. 23, 1976, and separated in May 1977. Mental cruelty was charged.
 Sedric Wayne Phillips of Granite City from Sharon Sue Phillips of St. Charles, Mo. They were married July 14, 1962, and separated May 30, 1973. Desertion was charged.
 Custody of two children was granted to the mother.
 Linda Darlene Sutton from Russell James Sutton, both of Granite City. They were married Sept. 9, 1966, and separated in June 1977. Mental cruelty was charged. Custody of three children was granted to the mother.
 Marshall Coleman Payne Jr. of Granite City from Barbara Ann Payne of St. Louis. They were married Feb. 27, 1959, and separated June 2, 1977. Mental cruelty was charged. Custody of one child was granted to the father.
 Clara Mae Smith of Madison from Richard Dwight Smith of Granite City. They were married March 2, 1968, and separated May 30, 1977. Mental cruelty was charged. Custody of three children was granted to the mother.

1904 fair to be featured Sunday

The nostalgia of the Louisiana Purchase Exposition of 1904, more familiarly referred to as the St. Louis World's Fair, will be recaptured in a room full of posters, photographs, souvenirs and other memorabilia at the Convention Center, 801 Delmar Blvd., during the "Meet Me in St. Louis" grand opening festival now through Aug. 7.

The exhibit will be on view in Room 120 from 11 a.m. to 8 p.m. daily.

The local area will be spotlighted Sunday, July 31.

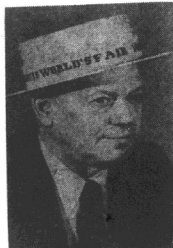

World's Fair exhibits will be provided by the Museum of Science and Natural History and by Robert W. Murch, who has been a collector of St. Louis World's Fair artifacts for many years.

Through posters, perspectives and photos, the display will depict the legacy of the Fair, special attractions, mementos which were given by exhibitors to World's Fair visitors, and souvenirs which were available for purchase. A 50-minute documentary movie, "That Fabulous Summer," will be shown daily at 2, 4 and 6 p.m., with the exception of July 31, when the showing will be at 12 noon and 6 p.m.

The award-winning movie has been loaned to the Convention Center festival through the courtesy of Laclede Gas Co. and was produced by Charles Guggenheim.

It shows the construction and preparation for the 1904 World's Fair, actual buildings and events, and interviews with persons who attended the fair. A special feature on Sunday, July 31, along with Granite City displays and music will be a slide show presentation at 3 p.m. entitled "A Fair to Remember," produced and narrated by Murch.

It will guide the viewer through the construction period in Forest Park and the opening

ROBERT W. MURCH

events, and will show the outstanding buildings and amusement areas of the exposition.

The slides were made from original photos in the files of David R. Francis, president of the Louisiana Purchase Exposition Company.

From 4 to 5 p.m. Sunday, Murch and several experts who are knowledgeable collectors will be available to identify and authenticate — as genuine 1904 World's Fair memorabilia — items which people bring with them.

Many of the 600 exhibit booths at the festival will tie in with the St. Louis World's Fair theme. Businesses and industries which were established in 1904 and earlier will show the history of their products and services through the years; others will decorate their booths in keeping with the turn-of-the-century period.

The World's Fair exhibit and film shows — as all events at the Convention Center's grand opening festival — are free to the public.

Rotary Governor to visit area

Clinton H. Rogier, governor of Rotary International District 646, will meet Tuesday at noon in the YMCA with the Granite City Rotary Club.

On Wednesday, Aug. 3, he will meet at noon at the Madison Recreation Center with the Madison-Venice Rotary Club. Rogier, a Highland, Ill., Rotarian, will confer with Don Shaffner, president, and Greg Schmieg, secretary, of the local Rotary Club, as well as other officers about the club's service activities for the 1977-1978 Rotary year.

The Granite City Club is one of 50 clubs in District 646. Rotary is an international service organization with a membership of more than 800,000 business and professional men in 17,300 clubs located in 152 countries and geographical regions throughout the world. There are 91 members of the Granite City club.

Rogier is the owner and operator of the Rogier Insurance Agency in Highland with 36 years of service in the agency. He was elected district governor at the Rotary International Convention in San Francisco in June, 1977, and will serve in the post until June 30, 1978.

Governor Rogier is an officer of two insurance companies located in Madison County as well as president of Tri-Ford, Inc. and its two affiliated corporations in Highland.

CLINTON H. ROGIER

Active in church and civic affairs, Rogier is currently chairman of the finance committee of the American Baptist Churches of the Great Rivers Region, and president of the Shurtleff Fund and Hudson Baptist Children's Home. Mrs. Rogier is the former Anna Lee Smith of Benton, Ill. They are the parents of four children.

Olympic-style ceremonies to open 16th annual games

The "Parade of Playgrounds" and lighting of a facsimile of the Olympic flame with precede the opening of the 16th annual "Junior Olympics," which are to be held at 7 p.m. Tuesday at Diamond No. 8 in Wilson Park.

Pre-game ceremonies will start at 6:30 p.m. Tuesday, with the youthful participants proudly parading en masse onto the baseball diamond.

Youngsters from each of the Granite City Park District's seven playgrounds, where the summer recreational program is being held, will march into the Olympic arena (Diamond 8) in separate formations, each bearing a banner denoting its playground affiliation.

All the children will carry colorful helium-filled balloons, to be launched during the pre-game ceremonies.

The arrival at the baseball diamond of George Diak, 12 years old, an athlete from Niedringhaus School playground and bearer of the Olympic torch and lighting of the sacred flame in a 10-foot tall Olympic-style bowl, will signal the commencement of "The Games are now open."

Upon lighting of the flame, the children will release their balloons.

Miss Nancy Polson, recreation supervisor for the Park District's summer program, will lead the pledge of allegiance and introduce the judges, games' officials and distinguished guests.

SUMMER RECREATION PROGRAM workers for the Granite City Park District meet Friday afternoon on diamond eight at Wilson Park to discuss details of this year's summer Olympics. Opening ceremonies for the competition will begin at 6:30 p.m. tomorrow on diamond eight near State Street. Standing at right is Nancy Polson, recreation supervisor, who will direct Tuesday evening's events. At the top, the left,

are: Rick Becherer, Scott Brokaw (leaning back), Marian Doty and Bob Sawicki. Next row: Kathi Long (foreground), Lynn Diak (hidden), Sue Thompson (partially hidden), with head behind Miss Long), Barb Matson and Kim Turner (partially hidden). Bottom row: Maggie Fryntko, Pam Meszaros and Mary Livingston (behind Miss Meszaros). Bottom row: Tammy Keeton and Beth Ripper (behind Miss Polson).

GC is dethroned in state women's softball tourney

For the first time since the inauguration of the Illinois Amateur Softball Association-sanctioned women's state softball tournament, a Granite City team has not emerged as the champion at Monticello, Ill. A team from Morris, Ill., won the meet.

Elks Club (formerly Petrillo Produce), of the Granite City Park District Class A league, sought a fifth straight state title in final round competition concluded yesterday.

But a 6-5 loss to Bill's Auto Body of Granite City and then a 3-4 loss to Hecker resulted in the defending champion Elks placing fifth in the tourney.

Hecker took turnarup honors, Bill's placed third and Collinsville's Comanches were fourth.

All kinds of loans for all kinds of reasons.

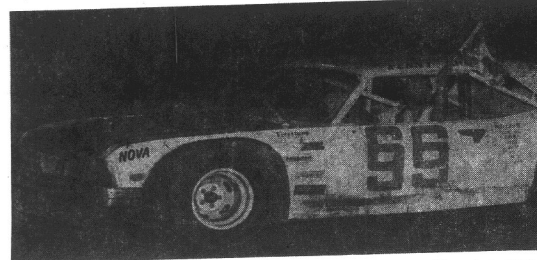

When you want money, you know why you need it. We don't much care what your reason is. Our only concern is to loan you as much as you need... as much as you can safely handle.

Large loans for homeowners. When you're after really large amounts, the equity in your home is a valuable asset. You can use

that equity to back very sizable loans from us. And that's nice to know.

THREE-TIME WINNER. Kenny Shrum of St. Charles, Mo., became the first three-time feature race winner this season at Tri-City Speedway by piloting his late model stock car into the winners' circle Saturday night.

Tri-City adds division playoff title to season championship

Tri-City Legionaire Paul Evans was named most valuable player of District 22 American Legion's North Division Saturday night during a banquet in Cahokia, and teammate John Lakin was in the spotlight Friday at the GCHS South diamond hurling Post 113 into a playoff title contest with a 5-4 win over Highland.

The Granite City Legion squad now will attempt to successfully defend its district title when it faces Fairview Heights in a best-of-three series, which will begin at 8:30 p.m. Friday in Cahokia.

A second game is set for 8:30 p.m. Saturday and the third game, if necessary, would be played at 8:30 p.m. Sunday.

South Division champion Fairview has a 17-5 league record while North Division titleholder Granite City is 17-3.

The Tri-City-Fairview winner will advance to a Division Five tournament in Highland with four other teams, one of which will be Highland. As host of the tourney, Highland gained an automatic berth.

Highland collected five hits in the first two innings of play before Friday off Lakin, but the undefeated Lakin (5-0 record) settled down for the remainder of the contest, allowing the challengers only one more hit, a game-tying single in the sixth.

Highland scored three times to go ahead 3-0 in the second frame, and Tri-City retaliated with two runs in the fourth frame.

Randy Smith and Keith Champion both singled and Evans tripled them home.

Tying and go-ahead runs for Post 113 came in the fifth inning when Eldon Warfield led off with a triple and Tom Hennrich and Joe Parente both walked to load the bases.

Warfield dashed home after Parente was tagged out by an infielder during an attempt to run down Hennrich between second and third.

A squeeze-bunt single by Smith enabled Hennrich to

score. Highland's sixth-inning run came in the form of an extra (eighth) inning in which Tri-City scored when Larry Heagy and Lakin both singled and an intentional walk was issued to Warfield, with no outs. Hennrich provided a run-scoring sacrifice fly to leftfield.

An annual all-star contest played yesterday between members of the North and South Divisions resulted in the North squad winning 5-2. Tri-City's Mike Katt batted in three runs, including a two-run homer in the ninth inning.

BURGLARY ON POPLAR
Several silver dollars and some old coins are the only things known missing after a burglary at the home of Patricia Wyman, 1848 Poplar St., between 8 p.m. Tuesday and early today. A window to the attached utility room was opened to gain entry and a bedroom was ransacked.

Arrest husbands, wives in fight
Two husbands and wives allegedly involved in a disturbance at 2015 Washington Ave. were taken into custody at 3:25 p.m. Thursday.

Arrested and charged with disorderly conduct were Mirsha I. Qualls, 23, and David E. Qualls, 29, both of 1712 Cleveland Blvd., and Virginia A. Miller, 21, and James L. Miller, 23, both of 2015 Washington Ave.

The dispute which started between the two men and then included the women, resulted from an alleged incident occurring earlier between Qualls and Miller's 13-year-old half-brother.

The men were released on payment of \$25 cash and the women were released on notice to appear at a later date.

TAKE TIRES, WHEELS
Jack Schumacker, owner of Granite City Dodge agency, 1911 Madison Ave., reported Thursday both rear wheels and tires were stolen from two 1977 autos on the agency's front lot.

Taken were two steelbelted tires and wheels, valued at \$200, and two glassbeated tires and wheels, worth \$120.

\$150 RADIO STOLEN
A Citizen Band radio valued at \$150 was taken from the locked auto of James Kelly of DeKalto while the auto was parked Friday in the 2200 block of Madison Avenue.

New pull tab in use

Consumers of soft drinks marketed by Coca-Cola in this area will be "giving ecology a life" with a new recyclable aluminum can featuring a pull tab that stays on the container.

Beginning now, Coca-Cola will be marketed in this metropolitan area in aluminum cans of a new 8-ounce size and the regular 12-ounce size, both featuring the Stay-on Tab, an opening device developed by Reynolds Metals Company, Richmond, Va. The tab is designed to remain on the can after opening, helping eliminate pull-tab litter.

Express service, to be operated over the same routes served by Red Bird express buses for all 1977 home Cardinal baseball games, will begin on Aug. 6 when the Cardinals host Atlanta for a 7 p.m. exhibition contest benefitting the Shriners Hospital.

Regular-season home games will be played Sept. 25 (Chicago), Oct. 9 (Dallas), Oct. 23 (New Orleans), Oct. 31 (New York Giants), Nov. 20 (Philadelphia), Nov. 24 (Miami) and Dec. 10 (Washington).

Big Red Express bus lines also will be supplemented by more than a dozen regular Bi-State lines which operate directly to or within walking distance of the Stadium.

For the 1977 season, two noncombined express routes are being operated to Busch Stadium—"Mehville-Afton" and "Alton-Tri-City."

The Alton-Tri-City Big Red Express bus will start at 3rd & Plaza in Alton and reach St. Louis via Wood River, Rosanna, Mitchell, Granite City and Madison.

The other Big Red Express routes will be: Belleville North Bell, Belleville Square, Clayton, Crestwood, Hazelwood, Jennings, Riverview and St. Ann. The adult cash fare is 75 cents

Shrum first across for 3rd time in '77

The spoils belong to the victor, as the saying goes, and Kenny Shrum of St. Charles, Mo., was gloating all the way to the winners' circle at Tri-City Speedway Saturday night after barely nipping Pontoon Beach's Wil Spalding in a late model stock car division feature race.

The win not only marked Shrum as the speedway's first triple main event winner of the season, but also avenged an earlier evening loss to Spalding.

The earlier event was the handicap race, with four cars competing and divided into two preliminary segments.

Each segment pitted two cars in competition, with the final handicap race segment pitting the winners against each other. Shrum and Spalding advanced and Spalding then took top honors.

Shrum had beaten Kenny Schrader in the first segment and Spalding had topped C. C. Corbin.

The feature race saw Willie Johnston take a first-lap lead with Terry Messenger of Robinson, Ill., holding down

second place, Shrum third and Spalding running in tenth position.

Following a yellow caution flag displayed due to a mishap, Spalding passed three cars at the drop of the green flag.

Shrum took over the lead on the tenth lap and was pulling away from the field of 22 cars. Spalding gradually worked his way around the other competitors to move in behind the leader with four laps remaining.

At the finish, Spalding was within a half-car-length of a first-place tie with Shrum as the checkered flag fell. Schrader placed third and Messenger fourth.

Late model heat race victors were Messenger, Sandy Anderson, Terry Gallagher and Bert Griffin.

Granite City Van Gebhart took top honors in the sportman stadium main event, crossing the finish line ahead of Gary Wallace and Royce Payton.

Payton, Gary Barker and John Wolfmeter won earlier heat races.

Big Red express bus here
Ten "Big Red Express" bus routes will be operated to home regular-season games at Busch Memorial Stadium this year, Bi-State Development Agency Executive Director Robert J. Baer has announced.

The Express service, to be operated over the same routes served by Red Bird express buses for all 1977 home Cardinal baseball games, will begin on Aug. 6 when the Cardinals host Atlanta for a 7 p.m. exhibition contest benefitting the Shriners Hospital.

Regular-season home games will be played Sept. 25 (Chicago), Oct. 9 (Dallas), Oct. 23 (New Orleans), Oct. 31 (New York Giants), Nov. 20 (Philadelphia), Nov. 24 (Miami) and Dec. 10 (Washington).

Big Red Express bus lines also will be supplemented by more than a dozen regular Bi-State lines which operate directly to or within walking distance of the Stadium.

For the 1977 season, two noncombined express routes are being operated to Busch Stadium—"Mehville-Afton" and "Alton-Tri-City."

The Alton-Tri-City Big Red Express bus will start at 3rd & Plaza in Alton and reach St. Louis via Wood River, Rosanna, Mitchell, Granite City and Madison.

The other Big Red Express routes will be: Belleville North Bell, Belleville Square, Clayton, Crestwood, Hazelwood, Jennings, Riverview and St. Ann. The adult cash fare is 75 cents

plus applicable 10-cent zone charges. Children (5-12) pay 35 cents plus five-cent zone charges.

Holders of Bi-State weekly passes pay a 45-cent fare plus applicable zone charges.

Senior citizens and handicapped persons possessing Bi-State identification cards may ride for 35 cents plus five-cent zone charges.

A free folder including maps and schedules of all Big Red Express routes and a Bi-State Cardinals home schedule is available from Bi-State (875-4144).

Uses stolen check to buy television
Randy Kendall of Kendall Appliances, 1200 Niedringhaus Ave., said Thursday a \$300 check drawn on the Belleville National Savings Bank and issued by a Belleville firm reportedly had been stolen from the latter company.

The check was cashed at the Granite City store July 8 when a 28-year-old, stocky build, about five feet, five inches tall and weighing 160 pounds.

TENNIS. ANYONE? President Kenneth A. Shaw of SIUE, an avid tennis fan and player, discusses the first annual SIUE Foundation tennis benefit with the general chairman of the event, Mrs. Charles Schmidt of Edwardsville. A series of mini-tournaments will be held throughout this region Saturday. A winner will be declared in each tourney, with prizes to be awarded at a dinner that evening in Glen Carbon. Proceeds will go to support the work of the Foundation and to assist the SIUE Cougar tennis program.

Varied competition at 7 recreation centers

Area athletes competing in a weekly series of Granite City Park District-sponsored summer time games and athletic events at each of seven local fields have completed the final phase of preparations for Tuesday's annual "Summer Olympics" to be held on Wilson Park's diamond eight.

Recent competition at the Lincoln Place Community Center and Logan, Niederhaus and Webster schools has included the standing long jump, jacks, four square, frisbee, hula hoop and sprint racing.

Standing jump winners: Parkview - Jamie Hogan, boys aged 6-9; Mike Bellipanni, boys aged 10-14.
Lincoln Place - Rachel Reutzel, girls 6-9, Dawn Parson, girls 10-14, John Hahn, boys 6-9, Larry Cornett, boys 10-14.

Wilson - Serena Futrell, girls 6-9, Becky Jackson, girls 10-14, Stanley Jackson, boys 6-9, Todd Thomas, boys 10-14.
Webster - Liz Childers, girls 6-9, Penny McGinness, girls 10-14, Eric Decker, boys 6-9, Glen Svoboda, boys 10-14.

Namoki - Todd Hinterer, boys 6-9, Alan Prengel, boys 10-14, Maria Bernaick, girls 6-9, Lori Halbert, girls 10-14.
Logan - Darren Tinsley, boys 6-9, Joe Kuehn, boys 10-14, Tammy Singleton, girls 6-9, and Tammy Hanson, girls 10-14.

Lincoln Place - Vicki Sherry, girls 6-9, winner, Dawn Parzon, girls 10-14, Pete Cornett, boys 10-14.
Webster - Gina Collins, girls 6-9, Lydia Collins, girls 10-14, Frank Seeliner, boys 6-9, Darrell Pagan, boys 10-14.

Namoki - Adams Schneider, boys 6-9, Jesse Byrd, boys 10-14, Noel Byrd, girls 6-9, and Lori Halbert, girls 10-14.
Four square competition results: Parkview - Jamie Hogan, boys mites winner, Michael Bellipanni, boys juniors.

Niederhaus - Anne Juhan, girls mites, Noel Byrd, girls juniors, Rita Ellis, girls juniors, Denise Darnell, girls juniors, Vince Darnell, boys mites, Rich Griffith, boys mites, George Dink, boys juniors.

Namoki - Jennifer Thomas, girls mites, Theresa Soelger, girls juniors, Mike Kraus, boys mites, James Ellis, boys mites, Alan Prengel, boys juniors.

Logan - Sheila Ashburn, girls mites, Noel Byrd, girls juniors, Rita Ellis, girls juniors, Walter Sanders, boys mites, Darren Tinsley, boys mites, and Scott Coggins, boys juniors.

Frisbee game winners: Parkview - Jamie Hogan, boys mites, Michael Bellipanni, boys juniors.

Webster - Tracy Koenig, girls mites, Theresa Soelger, girls juniors, Mike Kraus, boys mites, James Ellis, boys mites, Sean McGovern, boys juniors.

Namoki - Jennifer Thomas,

girls mites, Noel Byrd, girls mites, Brian Brasfield, boys mites, Jim Friedel, boys mites, Jesse Byrd, boys juniors.

Logan - Sheila Ashburn, girls mites, Tammy Hanson, girls mites, Rita Ellis, girls juniors, Jamie Coggins, boys mites, David Kuhn, boys mites, and Jehron Kuhn, boys juniors.

Sprint races (50-yard dash) were held at Wilson School only. Laura Jansen was the girls mites winner, Janice Dodd, girls mites, Lisa Bush, girls juniors, Gary Rainwater, boys mites, and Brian Dodson, boys juniors.

Winners of hula hoop competition included: Parkview - Paula Farley, girls mites, Colleen Ryan, girls mites, Tim Hogan, boys mites, Michael Bellipanni, boys juniors.

Wilson - Tracy Crider, girls mites, Tammy Crider, girls mites, Dawn Deterding, girls juniors, Vince Darnell, boys mites, Paul Treiter, boys mites, and Todd Miller, boys juniors.

Paddlers plans pre-teen party, diving lessons
Paddlers Swim Club will sponsor "pre-teen" party from 1 to 3 p.m. Wednesday at the Twin-pool facility at 221 Johnson Road.

Youthful members, 12 years and younger, and their guests are being invited to attend. Entertainment is planned and refreshments will be served. A 50-cent admission fee will be charged those attending, according to Gayle McCormick, program director.

Mrs. McCormick, diving coach for Paddlers' competitive team, also reported that a series of diving lessons will be offered at the private swimming club during the second and third weeks in August.

The instruction will be available to non-members at a cost of \$15 for the course. Members will pay a \$10 fee. Persons interested in participating are to contact Mrs. McCormick at 831-0728 for additional details.

Michael McDonald, 32, is found dead near New Baden

A lifelong resident of Granite City, Michael Raymond McDonald, 32, of 3066 Marshall Ave., was found dead in his automobile in Looking Glass Township near New Baden, Ill., at 1:30 p.m. Thursday by Clinton County sheriff's deputies.

A coroner's inquiry, conducted by the Clinton County coroner, Dr. James M. Platt, ruled that a fatal gunshot wound in the head apparently was self-inflicted. No evidence of foul play was introduced as evidence.

Deputies said a 22-caliber pistol was found in the car beside the body. A farmer reported seeing a car with someone inside parked in a timbered area southeast of New Baden.

Mr. McDonald was pronounced dead at the scene at 2:35 p.m. Thursday by the coroner. He

Consecration to be on TV

The consecration of Catholics Kareken II of the Illustrious House of Celicia, Antelias, Lebanon, will be aired Sunday at 7:30 a.m. on Channel 4, "Lamp Unto My Feet."

Prior to being consecrated Catholics, he served as the prelate of the Armenian Apostolic Church of America in New York for over three years. He also served in many responsible positions on the World Council of Churches.

Catholics Kareken II has officiated at services at the St. Gregory Armenian Apostolic Church in Granite City. His most recent visit here was in December 1976.

TEMPORARY CLOSING of Washington Avenue in the 2100 block to permit installation of St. Elizabeth Hospital utility lines leading to the site of a new boiler plant. This view is to the north. The utility extensions will be housed in a tunnel.

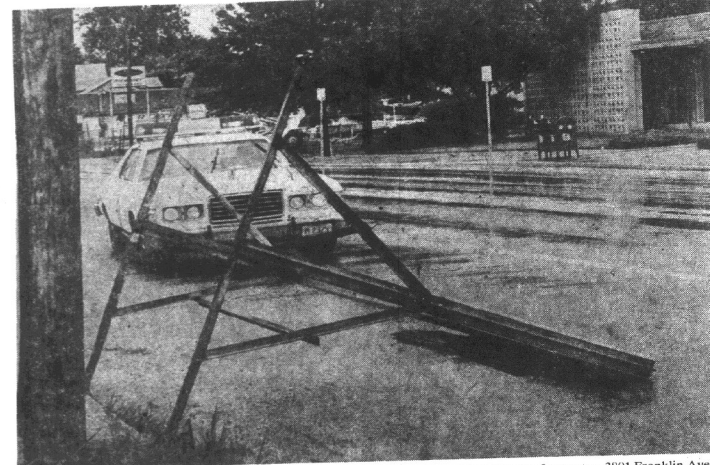

(Press-Record Photo)

HOME IS RANSACKED

A window in a rear door was removed to gain entry to the home of Virginia Womack, 2043 Washington Ave., it was discovered at 7:30 p.m. Sunday. The house was ransacked. It is not known if anything was stolen.

CITIZEN BAND TAKEN

A citizen band radio valued at \$60 and a radio antenna valued at \$10 were taken from the auto of Tom Layloff, 2832 Grand Ave., parked in the driveway of his home Saturday.

HEAVY SIGN BLOWN OVER by wind at 5:15 p.m. Sunday in the 2300 block of Madison Avenue, across the street from the Granite City Post Office. The sign was blown from the Koinonia Center parking lot and struck

the passing auto of Lamont Lancaster, 3801 Franklin Ave. He was able to drive the vehicle away. Police are shown stopping in order to remove the sign from a traffic lane.

(Press-Record Photo)

\$18 million contract for new river bridge

The Illinois Department of Transportation has awarded an \$18 million contract for the substructure of the new Jefferson Barracks Bridge over the Mississippi River.

The contract was awarded to Frun-Colon Corporation and Granite Construction Company of St. Louis. They submitted the low bid of \$18,559,999.

A preconstruction conference between the contractors and the department's East St. Louis district office will be held the first part of August and work on the bridge will begin this fall, a state spokesman said.

The bridge is the first work on an Interstate 270 extension

Final plea to avoid inland waterway fee

An appeal for "free access to our waterways" as a God-given right was part of the testimony heard by the House Ways and Means Committee on Friday as it concluded two days of hearings on proposed river use charges.

The committee may act early this week to add a mandatory user fee to a House-approved bill to replace Alton Locks and

Dam 26 near Alton. Full House action on the amendment is likely late this week. The existing bill calls for a study of user fees.

Testimony has brought out the impact of barge fees on steelmakers, possibly forcing plants to move to coastal areas and eliminating jobs at inland sites.

Raise penalty in city codes

Two city code ordinances that set requirements for electrical work and plumbing work done in Granite City were among by the City Council last week to provide penalties of up to \$500 for violations.

The action was taken to conform with a penalty of up to \$500 that was established in an ordinance amendment to the heating code two weeks ago.

Approval of the heating code amendment was given after the

bill was amended to change the penalty from \$25 to \$500 following discussion in which some city officials contended that permits were not obtained by many contractors.

After the heating code penalty was set, several aldermen said they believe the penalty in similar codes should be the same.

As a result, the amendments to the electrical code and plumbing code were approved last week.

Herbert Griffin, 80, dies

Herbert "Bert" Griffin, 80, of 2517 Sheridan Ave., died at 2:22 a.m. Saturday at The Colonades nursing home, where he had been residing since April. Born in Cobden, Ill., Mr. Griffin lived in the Quad-Cities 63 years.

He was an agent 20 years here for the Prudential Insurance

Company. He was also a member and past master of Masonic Lodge 855.

Survivors include his wife, Mrs. Sadie Griffin; a son, Robert Griffin of Houston, Tex.; a daughter, Carol Griffin of Bethalto; and three sisters, Mrs. W. F. (Grace) Godekohn of Bellevue, Wash., Mrs. Eunice Crevison of Alton and Mrs. R. J. (Gladys) Williams of Tucson, Ariz.

Funeral arrangements are given in the obituary column.

Mrs. Grace Justice dies

Mrs. Grace A. (Brimmer) Justice, 84, formerly of the Anchorage Homes, died at 6:30 p.m. Friday at the home of her daughter, Mrs. Charles (Rita) King of New Douglas, Ill., where she had been residing. She was born in Puxton, Mo., and had lived in Granite City for 60 years.

Her husband, Allen Justice, died in 1957.

Other survivors include four sons, Durrell, Carl and Kenneth Justice, all of Granite City, and Jack Justice of Phoenix, Ariz.; two other daughters, Mrs. Clifford (Verna) Cochran and Mrs. Ralph (Nancy) Barnhart, both of Granite City; 39 grandchildren and one great-grandchild.

Funeral arrangements are given in the obituary column.

Mrs. Rife, 78, dies here

Services are to be held Tuesday morning at a Lanark, Ill., funeral home for Mrs. Olive L. Rife, 78, of 1707 Fifth St., Madison, who died at home Friday following an illness of one month.

Born in Mount Carroll, Ill., Mrs. Rife was staying at the home of a son here for the past four months. She was discovered without signs of life at 11:30 a.m. Friday.

A member of the Church of Brethren at Lanark, Mrs. Rife was preceded in death in 1953 by

her husband, Roy Rife.

Survivors include four sons, William Rife of Freeport, Kenneth Rife of Harwood Heights, Ill., Melvin "George" Rife of Madison and Glen Rife of Virginia Beach, Va.; two daughters, Mrs. Margaret Kendall of Milledgeville, Ill., and Mrs. Mary Nelson of Freeport; and a brother, Donald Zilhart of Oelwein, Ia. Details are given in the obituary column.

Rites held for Mrs. Gardner, 86

Funeral services were held at 7 p.m. Sunday at the Bethel AME Church, Madison, for Mrs. Birtie Gardner, 86, of 920 Jackson St., Madison.

Mrs. Gardner died at Jewish Hospital in St. Louis July 19. Survivors include a son, J. Alan Gardner of Madison.

KIRKPATRICK BURGLARY
A combination radio and tape player, a stereo and speakers, a box containing nine tape recordings and some jewelry were stolen during a burglary at the apartment of Norma Lee Martin, 2707 Kirkpatrick Homes, between 1 p.m. Saturday and 4:30 p.m. Sunday. Some of the missing jewelry was found on the front porch and front steps of the victim's apartment.

VISIT BY STATE AMVETS COMMANDER Charles Spitz Jr. includes serving as installing officer for Amvets Post 204 officers. The installation was held Saturday evening in Madison. Left to right are Commander Spitz, State Senator Sam Vadalabene, new Madison Amvets Commander Vasi C. Graville and State Representative Joe Lucco. Following the installation, a dinner and dance were held in the post home, 1242 Iowa St., Madison.

Concord Youth Choir at Mitchell

David T. Richardson and the Youth Choir of Concord Baptist Church in Chattanooga, Tenn., will conclude their evangelist tour this year with an appearance at 7:30 p.m. Thursday at the First Baptist Church, 608 English Place, Mitchell.

A former Granite City resident, Richardson is the son of the Rev. and Mrs. W. J. Richardson of Mitchell. He served as music director for the Third Baptist Church in Granite City some years ago.

Richardson also was youth director for the Madison County Baptist Association while living here. His father is now retired and is helping the First Baptist Church in Mitchell by serving as pastor.

The Concord youth group consists of choir members who play hand-bells, sing and perform as an orchestra. They present a gospel ministry with their music and were well received on a previous visit at the local church.

The public is invited to hear this fine musical group sing, play and witness for the Lord Jesus Christ, the Rev. Richardson said.

80 greet couple on anniversary

About 80 relatives and friends offered their congratulations and good wishes last week to Mr. and Mrs. Frank Eaves of Madison, on the occasion of their 25th wedding anniversary.

The couple celebrated the event at a party in the Fellowship Hall of the First Baptist Church in Madison. Hosting the affair were Eaves' sisters, Mrs. Don (Helen) Purkale of Madison and Mrs. Edward (Mary) Liveway of Bridgeton, Mo.

Mr. and Mrs. Eaves were married July 8, 1952, in Anna, Ill.

Mrs. Eaves is the former Norma Rader. Her husband is president of the Madison Board of Education.

Single parents meet Wednesday

All single parents are invited to attend a general meeting of Parents Without Partners, Thursday, July 27, at 7:30 p.m. Wednesday at St. John United Church of Christ, 2901 Namecki Road.

Custody of children is not a requirement for membership. Principal topic of discussion at the meeting will focus upon the international convention held in Boston, Mass., which concluded July 11.

Reviewing highlights of the eight-day conference will be Arlene Boner, chapter president, and Carolyn Smallwood, membership director.

Registration for visitors attending the meeting will start at 7 p.m. Wednesday. Further information may be obtained by calling 451-7506.

Parents Without Partners is a non-profit educational organization, dedicated to the welfare and interests of single parents and their children, Mrs. Boner said.

Bobby Lipchik marks birthday

Mr. and Mrs. Jerry Lipchik, 3028 Maryville Road, entertained last week with a children's party in observance of the fifth birthday of their son, Bobby.

Refreshments were served and games were played.

Among the guests were Jason Parrish, Kim and Dawn Hightower, Jimmy Harper, Valerie Shade, Tammy and Becky SanSoucie, Cindy Schaffner and the honoree's brothers and sister, Jerry, Mike and Patti Lipchik.

UNDERCOATING—RALPH'S TEXACO 22ND & MADISON AVE.

VEGAS-STYLE CUTIES entertain Granite City Business and Professional Women and their guests at a "Las Vegas Night" fun party at Moose Lodge 272. Edna Kohlbrecher, left, Louise Lewis, center, and Judy McCann, right, were among the featured "show girls." Mrs. McCann and Ollie Derr, not shown in the photo, served as co-chairmen of the midsummer frolic, a traditional activity sponsored by the club's membership committee.

Business Women's 'Las Vegas Night'

A "Las Vegas Night" special, the traditional midsummer frolic of the Granite City Business and Professional Women's Club, attracted 125 members and guests last week. The event was staged in the Granite City Moose Club 272, 19th and Adams streets, starting with a buffet dinner.

The room decorations and a floor show served to create an atmosphere reminiscent of Las Vegas, where the National Federation of Business and Professional Women held their national convention two years ago this week.

Each July, the local club sponsors a fun party, hosted by the membership committee. Safari, picnic and holiday travel themes were featured in previous years.

Highlighting the evening was a Las Vegas-style show presented by club members, who were attired in a variety of extravagant and colorful costumes.

A chorus line, whose performance "brought down the house," consisted of Margaret Scott, Gladys Newman, Rose Stephenson, Edna Kohlbrecher, Ollie Derr, Sally Jo Burton, Sylvia Wright, Anna Mae Gates and Louise Lewis.

Serving as master-of-

ceremonies was Jim Whaley. Individual portrayals were featured by Lois Wetton as "Sophie Tucker," Betty Robertson, "Ella Fitzgerald," Dee Klesh and Mrs. Wetton, striptease artists; Louise Lewis, cabaret dancer and Roselee Stern as a Salvation Army officer.

Jim Stack was presented in a cameo role as "Dean Martin." The show was produced by Louise Lewis and Ollie Derr. Mrs. Valerie Stevens, pianist, and Austin Lewis Jr., drummer, served as accompanists.

Following the revue, those attending played various games. Proceeds from the event will be used to further the BFW's scholarship program.

Mrs. Lorene Sadralula, club president, conducted a business session. She announced several local members will be attending the Business and Professional Women's national convention this week at Louisville, Ky.

Plans also were announced for a course in Practical Politics, to be sponsored by the club beginning this week. An initiation ceremony was conducted for five new members. Welcome into the club were Pauline Dubish, Nigel Maeas, Caroline Kopis, Doris Grever and Shirley Polson.

Eight and Forty to install

Madison County Salon 53, Eight and Forty, met last week in the home of Miss Dorothy Hinson, 1580 Third St., Madison, for a lawn party and business meeting.

A pot luck dinner was served at 7 p.m., followed by a short business session. Plans were completed to hold the installation of officers of St. Clair County Salon on Sunday.

The remainder of the evening was spent in playing games and honoring Marie Leifer on her birthday by presenting the honoree with a cake and gift.

Those attending were representatives from Alhambra, Altamonte, Edwardsville, Springfield, Granite City, Madison and Venice.

MR. AND MRS. GARY IRVIN. They were united in marriage at the Church of Christ, Madison. Formerly Miss Samantha Jean Gribble, the bride is a daughter of Mr. and Mrs. James Gribble, 2523 Madison Ave.

Samantha Gribble and Gary S. Irvin are wed

The wedding of Miss Samantha Jean Gribble and Gary S. Irvin was solemnized on July 9 at the Church of Christ, 1536 Fourth St., Madison.

Officiating at a double ring ceremony at 4:30 in the afternoon was the Rev. James McNeely, before an altar adorned with bouquets of summer blossoms.

Given in marriage by her father, the bride wore a long white Qiana gown designed with an oval neckline traced with Venise lace motifs and long sleeves cuffed in matching lace. Her semi-full skirt was also accented with lace applications and fell softly into a chapel train.

A lace camelot headpiece secured her fingertip veil of bridal illusion, and she held a

bouquet of yellow and white flowers. Mrs. Wanda Turner served as matron of honor. She selected a formal length pastel yellow dress. Her bouquet was composed of white carnations and greenery.

The groom chose Mark Lemp as his best man. Doug Irvin and Jeff Gribble escorted the guests to their seats.

After the service the newly married couple received guests at a reception held in the church fellowship hall.

Both young people graduated from Granite City High School South. The bride is employed at Curt's Grill and the groom works for Prairie Farm Dairy. They are now residing in Granite City following a wedding trip to Hannibal, Mo.

Shower fetes Shelley Warnoff

A bridal shower honoring Miss Shelley Warnoff, who will be married to Phillip Hill on Aug. 26, at the First United Presbyterian Church, was given last week at St. Elizabeth school cafeteria.

Hostesses were Tami Hill, Linda Werner, JoAnn Murphy and Myra Parrish.

The tables were decorated in pink and green to carry out the wedding colors with vases of pink roses on each table. Games were played during the afternoon event and prizes awarded to the winners. The honoree was assisted in opening her gifts by Tami Hill, Judy Richardson, Terri Moran, who is to serve as her bridesmaid.

Those attending included Mrs. Joyce Corey, and Mrs. Carole Hill, mothers of the bride-to-be, Mrs. Anna Chibbe and Mrs. Helen Hill, grandmothers of the groom-elect and Godmother of the groom, Mrs. JoAnn Murphy and her daughter Kelly Joy.

Others present were Mesdames Emilie Dearduff, Mary Walia, Nancy Stanovsky, Rose Marie Stanovsky all of St. Louis, and Mildred Lynch and Misses Judy Parrish, Linda Werner and Tami Hill. Mesdames Louise Werner, Mayme Chibbe, Diane Powers, Mary Ann Mushill and daughter Kim, Margaret Rimerchik, Judy Richardson, Debbie Talley, Janet Wilmsmyer and daughter Donna, Anita Roberson and daughter Ann, Phyllis Zalanowski, Mary Searle, Brenda Dusek and daughter Ann, Sharon Thomas, Irene Votoupal, Iona Seales, Mesdames Angela Vavra,

Mollie Besserman, Sophia Kraus, Marilyn Harris, Martha Burnett and daughters, Debbie and Sue, Helen Dooley, Joyce Hrdlicka and daughters Gloria and Lori Ann, Marie Loftus and daughter Lynda, Cindy O'Neill, Martha Delevski, Ann Fryczko, Joyce Curran, Theresa Harding, Pat Besserman and daughter Debbie, JoMarie Markel, Loretta Kerkovich, Norma Kinder, Dolores Thompson and Anneliese Gyarmati.

August events of Parents Chapter

August activities of Parents Without Partners, Eastside Chapter 91, will open with a board meeting on Aug. 2 at the Union Savings and Loan, Collinsville at 7:30 p.m.

Other events planned include dancing lessons at Sonny and Char's lounge, 7 Aug. 4 at Vera Isbells home; social evening at Panorama Bowl, Belleville, Aug. 5; family activity on Aug. 7, trip to Six Flags.

The general meeting is set for 7:30 p.m. Aug. 8, at the VFW Hall, 1234 Vandavia Ave., Collinsville, featuring a program on the police department.

A cook-out is scheduled for Aug. 10 at Woodland Park, Collinsville; regional meeting, Aug. 13; pig roast, Mascoutah Park, Aug. 20; picnic on Aug. 21 at Waterloo; seafood cookout, Mdical Opera, Aug. 28, the president, Dorothy Skinner, reports.

Jackson-Staggs wedding at Trinity Tabernacle

The Rev. Carl M. O'Guin performed a double ring ceremony on July 16, uniting in marriage Miss Patricia Staggs and Johnny Jackson at the Trinity Tabernacle, Madison.

Bouquets of yellow and white summer flowers adorned the altar and white satin bows marked the pews for the 5 o'clock evening ceremony.

Organist Mrs. Carl M. O'Guin accompanied Brenda McCallister as she sang, "The Wedding Song" and "We've Only Just Begun."

The bride is a daughter of Mr. and Mrs. Russell Staggs Sr., 2420 Edwards St. Parents of the groom, Mr. and Mrs. Oliver Jackson, reside at 2807 Lincoln Ave.

Given in marriage by her father, the bride chose a floor length bouffant gown fashioned of Chantilly lace complemented with a matching fingertip veil. A double ruffle edged the long tapered sleeves terminated with Chantilly lace ruffle cuffs.

The waistline was defined with a satin ribbon and Venise lace and the skirt, which extended into a chapel train, was draped to the back, accented with a bow and streamers.

She carried a teardrop arrangement of white, yellow pink carnations, festooned with satin streamers.

Matron of honor Mrs. Wanda White, and bridesmaids Sharon Greene, sisters of the bride, Mrs. Rosie Staggs, the bride's sister-in-law, and Mrs. Martha Wallace, a sister of the groom,

wore identical long yellow dresses.

Their gowns were fashioned with Empire bodices, short cap sleeves and softly flowing skirts. Marching yellow buttons enhanced the bodices and a sash, tied in the back, accented the skirts.

Each attendant carried a nosegay of yellow flowers intermingled with baby's breath. Flower girls Melissa Storey and Joie White, nieces of the bride, were dressed in long gowns designed with pink chiffon bodices, featuring white lace bibs edged with pink velvet ribbons and white lace skirts.

Both carried white wicker baskets filled with rose petals. The groom's nephew, Kipp Wallace, was the ringbearer.

Charles Cole, a brother of the groom, was the best man and groomsmen and ushers included Wayne and Johnny Staggs, the bride's brothers, Frank Hansen, Ricky Fritz, and Jimmy Jackson, another brother of the groom.

Receptions were held after the service at the church fellowship hall and later at the Moose Lodge, 19th and Adam streets.

Mr. and Mrs. Jackson, parents of the groom, hosted a rehearsal dinner.

A 1976 graduate of Granite City High School South the bride also graduated from Granite City School of Beauty Culture. The groom attended South High School and is serving with the U.S. Army at Fort Eustis, Va. They will reside at Fort Eustis.

Area Amvets meet in Mt. Vernon

Donations to the Amvet Auxiliary's Wordch Scholarship Fund and to "Target Dottie" were authorized at last week's meeting of Division 5 Amvets and Auxiliary members at Post 4 in Mount Vernon.

Mrs. Glenda Brockman of Granite City Amvets Auxiliary Unit 51, president of the Division 5 auxiliary, was in charge of the business session. Among those attending the divisional meeting from Post 51 were Mr. and Mrs. Nick Torregrossa and Mr. and Mrs. Adam Petras.

Mrs. Petras was congratulated upon her election as senior vice-president for the Illinois Amvets Auxiliary. Mrs. Torregrossa serves as Division 5 secretary.

Attending the Amvet session were Vasil Graville, newly elected commander, and Stanley Skubish, both of Madison Amvets Post 204.

In the auxiliary business meeting, conducted by Mrs. Brockman, a white elephant prize was received by Mrs. Wanda Lanham, a guest, and a gift was won by Mrs. Katie Swinnen of Post 4 Auxiliary.

Other guests were Peggy Poirot, Betty Duall and Marguerite Doty of Mount Vernon and Harrisburg.

Prayer was offered by Jolene Partain of the Harrisburg Auxiliary, and a luncheon was served by members of Post 4 Auxiliary.

YOU CAN DO IT YOURSELF

Installing attic insulation is a weekend project that will pay big dividends in the energy you'll conserve. And in a typical older home, it's a simple do-it-yourself job.

We'll help all we can. First, an Illinois Power Energy Use advisor will advise you on the amount

and type of insulation you need to bring your home up to today's standards.

Second, we'll furnish, at no charge, an illustrated manual that shows, step-by-step, how to do it.

Or we'll provide names of dependable local contractors who can do the job for you.

Don't take it for granted that your present insulation is adequate. Most homes need more attic insulation. Many homes have no insulation at all.

Attic insulation is just a start toward good home energy management. Follow through with storm windows and doors, weatherstripping and caulking.

We'll help all we can. Just ask at our office.

ILLUSTRATED BOOKLET ON DO-IT-YOURSELF INSULATION.
 Gives detailed directions on insulating an attic in one weekend. Ask at our office for your copy. No charge.

RENAISSANCE

JEAN-LUC PONTY

GEORGE BENSON

NIKOLAIS DANCE THEATER

Renaissance, Ponty, Benson and Nikolais dancers at River Festival

A wide range of activities is slated at the Mississippi River Festival, starting with the classically-influenced rock music of Renaissance on Wednesday evening.

Other upcoming events will include Arlo Guthrie and Pete Seeger, George Benson, The Nikolais Dance Theatre and the continuation of the film and chamber music series.

Renaissance—with Jean-Luc Ponty performing at the Festival site on the campus of Southern Illinois University at Edwardsville at 8:30 p.m. Wednesday—is a group that is rising on a current wave of popularity based in part on the success of a new album, "Novella."

The group's fusion of classical music and rock style is considered both unique and entertaining, and lead singer Annie Haslam's voice has been called by rock critics "the most pure and accurate in the whole rock sphere."

Jean-Luc Ponty shares the evening with Renaissance, bringing his background in classical, jazz and rock music to the site.

A violinist of international dimension, he was first successful as a member of the Lamoureux Symphony in France, and then as a jazz guitarist whose mastery of the

genre earned him a reputation shared in France only by the legendary French jazz masters Stephane Grappelli and Django Reinhardt.

Finally, Ponty moved to rock, where he joined Frank Zappa and the Mothers of Invention as well as the Mahavishnu Orchestra before going solo.

On Thursday, the distinguished film series will continue with the 1962 classic, "Days of Wine and Roses," starring Jack Lemmon and Lee Remick.

The films are shown in Meridian Hall in the University Center on the campus and admission is by donation.

George Benson appears at the Festival site on Friday. He is a jazz artist of long and high standing, whose huge hit, "Breezin'", in 1976 catapulted him into mass popularity.

The album of the same name became a double platinum seller, with more than two million sales, and became the largest selling jazz album of all time.

The Nikolais Dance Theater appears on Saturday at 8:30 p.m. at the River Festival site, bringing what critics have called "... a giant of an American dance company that stands out from the rest."

Alwin Nikolais is a founding father of modern American dance. His company has won critical praise around the world, with a long list of performances in such centers as Edinburgh's Royal Lyceum Theater during the Edinburgh Festival and Paris' Theatre de la Ville, as well as performances throughout the United States.

On Monday, Aug. 1, pianist Ruth Slenczynska will be featured in the chamber series of the River Festival, performing works by Woodard, Brahms and Mozart. All

chamber events take place in Meridian Hall in the University Center on the SIUE campus and begin at 8:30 p.m.

Arlo Guthrie and Pete Seeger return to the River Festival on Wednesday, Aug. 3, to close the week, bringing their varied but complementary styles to the

Festival site at 8:30 p.m. The two veterans of American folk music span the range of that style of music from the early 1940s to the present.

Seeger began playing the banjo during his days in his high school jazz band in the mid '30s. Guthrie, who rose to mass

popularity with his hit, "Alice's Restaurant," has successfully followed in the footsteps of his father, Woody Guthrie.

Festival Director Lyle Ward is reminding patrons that alcohol and glass containers are prohibited on the River Festival site.

EVERYBODY PITCHES IN TO HELP with the kitchen chores at the Curless household in Granite City. Assisting in the preparation of the evening meal, they are (left to right): Jane, Mrs. Alice Curless, Ross, and Cindy Curless. The mother of five teenagers (two sons are not

in the picture), Mrs. Curless is a sophomore at SIUE. The girls in the family do most of the cooking, according to Mrs. Curless, but even the boys are adept in helping out at the stove. "We operate an open kitchen type of thing," Mrs. Curless said.

Reading opens 'wonderful world' for mother of five

By Tommy Walter

The first word that Alice Curless learned to read was "Wonder." She saw it on a bread wrapper on her mother's table. Wondering why a loaf of bread should bear such an unusual name, Mrs. Curless badgered her mother until she taught her to read the rest of the words on the wrapper.

"From then on, I knew I could find the answer to any question I might have if only I could read," she said.

In the small Southern Illinois town where Mrs. Curless grew up, there was not an abundance of reading matter, but she managed to expand her world by reading newspapers, farm journals, cook books, and everything in print she could get her hands on.

"Through reading, I have visited places I will never get to visit in reality," she said.

"I cannot imagine not being able to read, to escape for awhile into the lives of others, to sit in the courts of kings, to be a passenger on a sailing ship, and at my will, to explore my own world," Mrs. Curless said.

Now that she is a sophomore at Southern Illinois University at Edwardsville, her interest in reading has more than paid off. She recently won first place in the freshman English composition competition at the University with her essay, "Literacy as Self-Defense."

In her winning entry, the mother of five teenagers, ranging from 12 to 17 years of age, pointed out that almost no product on the market today comes without written instructions for its care and use, from complicated machinery to toys, and from clothing to canned goods.

Housewives and mothers must read the directions on medication bottles before they can care for their sick children and must be able to read to drive an automobile, Mrs. Curless said.

"Our world has become one of words, not spoken, but written down symbols for our interpretation," she said. Signs such as "Come In," "Wait Here," "Entrance," "Please Form a Line," "Exit," and "Welcome" give information to help people's lives progress in an orderly fashion, Mrs. Curless said. The young woman often wonders where people would be if they could not interpret the symbols.

In expressing the importance of being able to read and comprehend what one has read, Mrs. Curless said, "From hundreds of years ago, people talk to me, telling me about their place and their time, about how life was in their world, and sometimes telling me how to go about in mine. They reassure me that, ages

apart, the world and its people are not so very different: that life goes on through their trials and through mine," she said.

Mrs. Curless said there are so many things she does not know, and there is not enough time in her life to learn it all. "But I don't have to if I can read. For every question I have so far devised, someone somewhere knows the answer and has written it down for me," she said.

"From experts in every field of endeavor, I can get the best advice they have to offer because I can read," Mrs. Curless added. The attractive young mother said there are people—among them, educators—who feel that the teaching of reading at the elementary school level is as important as it once was. "Their reasons, or excuses, are that we receive a vast amount of information verbally, via television and radio," Mrs. Curless said.

She went on to say that when people reach the point where they rely on the media for their total information, they become controllable.

Going to college now that her family is almost grown, is a most rewarding experience for Mrs. Curless. She is one of the first members of her family to attend college. "In the town where I grew up, college was not a normal expectation for young people. In fact, if anyone

got as far as high school, he/she was doing all right," Mrs. Curless said.

Attending classes full-time, holding down a job, and maintaining a home for five healthy teenagers is quite a charge, but Mrs. Curless seems to manage everything with ease.

"Mother gets upset over my housekeeping, but it doesn't bother me at all," she said, cheerfully. Then, she added, "It's clean enough to be healthy. Nobody is going to die eating in our kitchen."

Everyone pitches in and helps with the household chores. The girls do most of the cooking, but even the boys are adept in helping out at the stove. "We operate an open kitchen type of thing," Mrs. Curless explained.

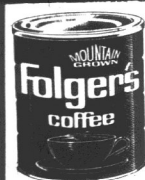

Everyone also helps with the laundry. "I get what they miss on weekends," she said.

Mrs. Curless feels that many homes could be operated in the simple way that she maintains hers. "If the members of other families are as busy as we are, they have to find a simple way," she said. Mrs. Curless feels that women who spend their lives doing nothing but housecleaning are not very happy.

One of her problems in keeping the house straight is that she is a "saver." Mrs. Curless already has three drawers at home filled with notes from classes she has taken at the University. "I may need them," she said in the way of explanation.

"I started out saving what my first graders brought home from school. Now I am saving my own papers," Mrs. Curless said.

BEVIER UNIT TO MEET
Local leaders will give a lesson on "Foods and Non-Foods in the Supermarket" for Homemakers Extension Association unit meetings this week. Meetings will include 7:30 p.m. Thursday, Isabel Bevier Unit, at the home of Mrs. Leo Lipe, 1735A Pontoon Road.

Gattung-Pasley nuptials

Mrs. Georgia Pasley became the bride of Harold Gattung in an early evening ceremony, on June 25 at the groom's home. The Rev. B. E. Dutton performed the double ring ceremony at 5 o'clock in the evening.

Mrs. Brenda Cole, daughter of the bride, served as honor attendant, and Kevin Gattung, son of the groom, served as the best man.

A reception was held at the home of the groom's daughter, Mrs. George Nemeth, 30 Cambridge Drive. A buffet style dinner was served to 40 friends and relations.

The bride and groom are both employed at American Steel Foundries. Following a wedding trip to Las Vegas, Nev., they will reside in Granite City.

Teen Challenge film showing

"The Jesus Factor," a film detailing the story of the most successful drug treatment program in the United States, will be shown at Community Heights Assembly of God, Faith and Buxton avenues, on Wednesday, July 27, at 7:30 p.m.

The 45 minute documentary film is introduced by Charles Colson, convicted former adviser to President Richard M. Nixon, and tells the story of a government-sponsored research project into the effectiveness of the Teen Challenge program for drug addicts and alcoholics.

Dr. Catherine Hess, who relates the results of the research, tells of her own skepticism of Teen Challenge until the time that the study showed what she called "startling" results.

Jack Borth, executive director of Teen Challenge, St. Louis, will be the speaker. "The Jesus Factor" was filmed at the Teen Challenge Training Center in Rehersburg and shows the young men going through the program, in their classrooms, work areas, the chapel and during a graduation exercise, a spokesman said. In addition, some of the students share on film how Teen Challenge's Christ-centered focus has made the difference in their lives.

The government study spoken of in the film was conducted by National Opinion Research Center in 1975 under the direction of Dr. Hess. The movie contrasts the 2 to 5 per cent success rates of government-sponsored projects with the 70 per cent success rate of Teen Challenge as disclosed by the study.

Pastor Jeff Smith said the showing of the film is free to the public.

ment-sponsored projects with the 70 per cent success rate of Teen Challenge as disclosed by the study.

Pastor Jeff Smith said the showing of the film is free to the public.

Morris named Sr. appraiser

Ralph A. Morris II, owner of Morris Realty Co., 1907 Edison Ave. has been elected into membership of The American Association of Certified Appraisers, and holds the designation of senior certified appraiser.

This classification is granted upon acceptable appraisal expertise in industrial, commercial and residential property, it was noted. Morris has been doing this type of appraising for over 35 years, resulting in the senior designation.

BACHELOR DEGREE
A total of 2,016 Illinois State University students completed requirements for the bachelor's degree at the end of the second semester of the 1976-77 academic year. Announcement of the names of spring graduates is now being made after the completion of all records. Greda Yvonne Patton, 47 Lee Wright Homes, Venice, received a bachelor's degree.

Approve advertisements on sports field fence

The Granite City Board of Education has granted permission to the South Boaters Club to put advertisements on local merchants, with 4-by-8-foot signs to be erected on the fence surrounding the sports field complex on Fehling Road.

All proceeds from the project will be used towards the club's goal to light the soccer and baseball fields and provide ample off-street parking, according to a request by the Boater Club.

Board members also approved the requests of Mount Zion Baptist Church, 21st and Benton streets, to use the playground area at Emerson School for its celebration of an "Old Fashioned Sunday" and for the Boy Scout to use the parking lot at North High School as a gathering point for departure to the nation's jamboree on July 31, and as a returning point on Aug. 10.

Approval was given to the American Red Cross to use the cafeteria at North High School on Thursday from 7:30 a.m. to 3:30 p.m. for a blood donation program.

Trip requests approved by the board were those of Robert Maxwell to attend the American Vocational Association annual convention in Atlantic City, N.J., on Dec. 27, and also the National Convention of American Association of School Administrators in Atlanta, Ga., Feb. 16-Feb. 20, 1978.

Ken Spalding was authorized to attend the Marine Corps recruitment session July 26-28 in San Diego, Calif.

A donation by the Boaters of North High School to provide the installation of a pump at the athletic field for watering purposes, was accepted by the board.

Dr. A. Ray Hesel and Dr. Gene D. Allsup, directors of a Management by Objectives program for the administrative staff, held earlier in the spring, attended the meeting to discuss the project with the board members.

The 12 sessions were designed to devise and implement a plan of action using the principles of MBO for the purpose of evaluating the staff and for the staff to prepare lists of objectives which they could realistically expect to accomplish during the ensuing

academic year. Owen E. Humphrey, curriculum coordinator, submitted a report of the Citizen's Advisory Committee in conjunction with the rotation of membership and election of officers.

Members representing local organizations for one-year terms beginning August 1977 are Business and Professional Women's Organization, Parent-Teacher Association, Granite City Education Association and secondary and elementary principals.

Two-year terms will be assumed by members of the Optimist Club, Granite City Scholarship Foundation, Kiwanis Club, Chamber of Commerce and Rotary Club.

Three-year terms went to Coordinated Youth Services, Board of Education, Local 743, AFT, Trades Council, Pontoon Beach Lions Club and ministerial alliance.

Officers elected for the school year 1977-78, effective Aug. 24, include chairman Julie Gates, Area Council PTA; vice chairman, Steve Jones, secretary, Patricia Gowda, Local 743; and executive committee members, Cindy Zelenka and Marcy Bunch, student council at South and North, respectively, and Mrs. Betty Bartels, GC Education Association and Bud MacMillan, Coordinated Youth.

National Music students to compete at festival

The National School of Music, 2100 Cleveland Blvd., is preparing for 21st annual Mid-America Music Festival at the Marriott Inn, St. Louis, on July 29, 30, and 31.

The Mid-America Music Association, of which the company is a member, is a nonprofit organization which expects over 1,500 music students of all levels and ages from elementary to the most advanced.

Each student will play two selections by memory for a judge. The grading system is similar to an evaluation because students are not actually competing against each other, but striving for an average score of 90 or higher. A trophy will be awarded to students in this category and all others will be awarded certificates.

Judging will begin at 8 a.m. and continue to 5:30 p.m. on Friday and Saturday, and until 12:30 p.m. on Sunday.

Friday night, July 29, at 9 there will be a dance in the Grand Ballroom, featuring a local group called Gemini.

Saturday night, the top Virtuosos winners of each instrument will perform during the program. All Virtuosos trophy winners will receive their trophies at this time. Guest artists will include Donna Dee and Dennis Ray, formerly with Fred Waring. Mark Gifford will entertain students and guests on the organ Sunday afternoon.

will wind up the weekend activities with the awarding of trophies.

Those participating from the Granite City Studio are: Kim Balogh, Lisa Balogh, Jerry Barnes, Phil Bellipanni, Sarina Bellipanni, Robin Benson, Shari Benson, John Brocamontes, Cynthia Brown, Diane Buecker, John Buecker, Rich Buecker, Karen Buecker, Rodney Burris, Keith Burton, Lola Burton, Kevin Carr, Joe DeShon, Billy Dorris, Steve Duhal, Frank Flemming, Mike Flemming, Tina Floyd, Lori Forget, Laurie Hermes, Rich Hermes.

Gene Hoffman, Becky Jackson, Jeff Joyce, Carmen Joyce, Tracy Johnson, Joe Kalips, Lena Kalips, Chris King, Kathy Koser, Helma Langley, Karen Larkin, Cheryl Lenz, Lisa Meador, Nancy Mikolaszuk, Jennifer Miles, Gordon Morton, Kathy McGee, Kelly McGee, Mike McLean, Emily McWhorter, Joe Ortiz, Jennifer Papa, Glenn Penberthy, Lynn Pendegrass, Deb Peter, Marsha Peter, John Peters, Michelle Poyner, Carla

Redman, Andy Reynolds, Barry Reynolds, Grace Reynolds, Angela Roach, Mike Roberts, Jennifer Roderick, Michelle Rogier, Kevin Romine, Carla Serrano, Beth Smith, Brian Starling, Paula Starling, Joe Stavelly, Kim Stavelly, Chris Stone, Michelle Stuart, Allan Sullivan, Brenda Sullivan, Caryn Sullivan, Tracy Taylor, Todd Thomason, Ann Valquez, Karen and Sharon Voloski.

Another activity planned for the summer is Granite City Day at the Highland Fair Tuesday, July 26. Students will have a chance to try their solos out on an audience. Some of the bands also will play.

Participating students are under the guidance of the following teachers: Alan Bogovich, Judy Bogovich, End Cox, Richard Hermes, Ann Langley, Helena Langley, Sue McGee, Pete Nasir, Glenn Schubert, Terry Trusty, and Karen Tjader.

General Steel stock dividend

Net income of General Steel Industries for the three months ended June 30 rose to \$1,900,000, or 68 cents per share of common stock, compared with net income of \$1,423,000, or 51 cents per share, in the second quarter last year.

W. Ashley Gray Jr., chairman and chief executive officer, and James A. Van Sant, president and chief operating officer, said Thursday that net sales and other revenues were \$17,540,000 in the second quarter this year, an increase of 11.1 per cent over sales of \$15,783,000 in the second quarter of 1976.

GSI's second-quarter performance brought net income for the first half of 1977 to \$3,164,000, or \$1.14 per share of common stock, compared with \$2,570,000, or 52 cents per share, in the first six months of 1976.

Net sales and other revenues for the first half this year were \$30,103,000 in the same period last year.

The company's operating results were announced following a meeting of the board of directors which in response to continued improvement in GSI's earnings and financial position declared a five per cent stock dividend, the second for GSI this year, payable Aug. 26 to shareholders of record Aug. 2. Earnings per share have been restated to give retroactive effect to the five per cent stock dividend paid March 4 and to the one declared Thursday. In conformity with accounting principles, GSI will charge an amount equal to the fair market value of the dividend shares to be paid Aug. 26 to the accumulated deficit account of the company, with offsetting credits to the paid-in capital accounts. This will increase the accumulated deficit by the market value of the shares issued.

Gray and Van Sant stated, "The improvement in earnings

which developed in the first quarter this year continued in the second. In spite of rising energy and other costs, our divisions were able to attain better profits in most product groups. Lower interest expenses also contributed to improved profitability."

The income statements for both years include a tax credit arising from partial utilization of the company's tax loss carryforwards.

Earnings before the tax credit were \$1,007,000, or 36 cents per share of common stock, in the second quarter of 1977 compared with \$730,000, or 26 cents per share, in the second quarter of 1976.

The backlog of orders for GSI's five manufacturing divisions has risen to \$17,576,000 on June 30 from \$16,176,000 at Dec. 31, 1976. Payment of an additional \$500,000 in long-term debt during the second quarter reduced total outstanding debt to \$6,807,000 on June 30 compared with \$9,335,000 a year earlier.

GSI is a diversified manufacturing company with 15 plants in the United States and Canada. It formerly operated in Granite City.

Lowry base honors Capt. Hy. Reimers

Captain Henry W. Reimers, son of Mrs. Blanche E. Reimers, Springfield, Mo., has been named outstanding junior officer of the quarter at Lowry Air Force Base, Colo.

Capt. Reimers, an instructor for the operational intelligence section, was selected for exemplary leadership, devotion to duty and professional performance. He is a member of the Air Training Command.

The captain, a 1967 graduate of Granite City High School, received his bachelor of arts degree in 1971 from Southern Illinois University at Carbondale, where he was commissioned through the Air Force Reserve Officer Training Corps program.

He also received a master of arts degree in 1975 from the University of Nebraska at Omaha.

His wife, Cathy Ann, is the daughter of Mr. and Mrs. Edward Zenk, 3225 Wabash Ave., Granite City.

Hospital notes

Patients admitted to St. Elizabeth Hospital Thursday:

John McDonald, P.O. Box 262; Terry Sue Ratliff, 1737 Poplar; James Lengyel, 2708 Harvey, Apt. 11; Robert Moore, 5257 Lakeview; Eugene Cochran, 1718 Edison; Linda Garrison, 2433 Wilson; Josephine Dallas, 813 E. Bi-State will soon have nation's most modern bus fleet, study finds

Bi-State Development Agency's mass transit operations in the metropolitan St. Louis area have received generally high marks from an outside consulting firm.

It found that bus service is adequate and equitably distributed throughout the region, and that transit-dependent and minority areas are particularly well-served.

The results of the comprehensive "Existing Services Impact Study" were announced by Bi-State Chairman Paul Schuler and departing Executive Director Robert J. Baer.

The consulting firm of Dalton, Dalton, Little & Newport (Cleveland, Ohio) noted that: 1. Ridership is almost evenly divided between minority and non-minority passengers.

2. Directness of service is equally good to both groups.

3. Transit-dependent and minority areas are significantly better-served in terms of bus route availability, and by service at times other than weekday rush hours.

4. Bi-State will soon have the most modern bus fleet in the nation.

The consultants cautioned, however, that the subsidy levels for the system are inadequate to indefinitely sustain current or expanded operating levels.

They also pointed to certain operational deficiencies, including some infrequent service and overloaded vehicles, as matters requiring immediate attention.

The \$142,050 study, commissioned last year and 80 per cent funded by the Urban Mass Transportation Administration of the U.S. Department of Transportation, reviewed 17 aspects of Bi-State's transit operations, ranging from financial assistance to bus cleanliness, passenger fares and transfer frequency.

As part of the study, 36,000 Bi-State passengers completed an on-bus survey last October. The survey solicited their comments and was administered by the Urban Behavioral Research Associates of St. Louis, a subcontractor on the project.

Dalton, Dalton, Little & Newport noted in its report that the Existing Services Impact Study had been undertaken as a result of questions raised about the quantity and quality of Bi-State transit services provided to transit-dependent and minority populations of metropolitan St. Louis.

Transit dependents were defined as persons able to use conventional transit service and lacking access to an automobile. Minority groups were defined as blacks, American Indians, Asians and Spanish-speaking population segments.

"The non-permanent nature of sources for local capital and operating assistance places Bi-State in a very tentative position with respect to planning," the report stated.

Although short-range expenditures appear to be covered by revenues from the half-cent Missouri transit-dependent sales tax collected in St. Louis City and County, the consultants continued, "There is no certainty of continuing adequate levels of support."

Fiscal uncertainty similarly exists in Illinois where, as in Missouri, transit planning is based on assumptions of continued funding at predicted levels. If these assumptions prove incorrect, DD&LN noted, "Bi-State will not only not be able to improve service, it will be forced to curtail existing service."

The study found "coverage"—amount of population within a quarter-mile of bus service—and duration of service (population served at other than peak times of the day or peak days of the week) to be both adequate and equitable throughout the region.

"Bi-State provides extensive coverage, and the transit-dependent and minority areas are significantly better-served in this regard than are other areas."

Heaviest vehicle loadings occur on such routes or in such locations because rider density is highest there.

The report concluded that, while there is no practical way to completely avoid such crowding, steps should be taken to minimize differentials in vehicle loadings in different parts of the service area.

The consultants found deficiencies in Bi-State's adherence to its own standards for bus speeds (average of 15 miles per hour for local service; 20-25 mph for express service operating on arterial roads; 35-40 mph for express service on freeways), and in conforming to existing schedules and published timetables.

In both instances, however, the consultants noted that Bi-State's performance conforms to general industry standards, and that consideration should be given to modifying the agency's policies and expectations.

The study also addressed Bi-State's waiting facilities and the average age of transit equipment, concluding that any current inadequacies will be corrected when programs now under way for installing new passenger shelters and purchasing new buses are completed.

Comparing the average age of

buses on lines throughout the 180-route system, the consultants noted that Bi-State adheres to an industrywide practice of selecting its newer vehicles for its longest, most operationally demanding assignments.

The study reported that, while "figures seem to indicate that minority and transit-dependent lines are being assigned vehicles of more recent vintage, it is important to recognize that runs on these lines generally operate for longer periods of time, whereas on routes such as many suburban expresses, there is need to provide extra service during the morning and evening rush hours"—shorter assignments to which older buses may be assigned.

The report added that recent delivery of new buses to Bi-State one of the lowest age averages for buses in service of any system in the nation.

He forecast that findings from the Existing Services Impact Study will be extensively used as Bi-State looks ahead in planning its transit services and that special attention will be devoted to areas where the consultants determined that deficiencies currently exist.

Youngsters 'graduate' in Head-Start class

Certificates were presented to children in the Venice Head-Start program during a "graduation" ceremony completed with a procession and official welcome by John C. Rush, Head-Start director for the Venice-Madison area.

The children recited nursery rhymes and sang songs.

Remarks were made by Robert N. Schuler, superintendent of schools in Venice.

Those receiving certificates were:

Michelle Faye Beck, Angela Bradley, Michael J. Campbell, Michael Coleman Jr., Leo Glanier Jr., Melissa Hogner, Cecilia Jackson, Cecilia Johnson, Stacey Nowicki, Jennifer Hahn, Michael Edward May, Harold Moody Jr., Terence Herrod, Elyse Treawday, Melinda Gaye Voegel, Christina Wiley, Joanne M. Wiley, Sheldona Williams.

Jay A. Blakey, Bernadette Brandon, John W. Carroll, Anthony S. Davis, Timothy Dell, Tisha G. Glasper, Michael Hoults, Vanetta Ann Jackson, Cameron Latham, Trachea L. McGhee, James C. Owens, Tricia Le Sillon, Marissa Treawday, Sheldona Williams, LaSangela Watson, Andra Williams, Kendra C. Wiley.

Daralo Corben Moore, Yolanda Scruggs, Marvin Ellis Treawday, Paula Ware, Todd R. Ware, John L. White, Jovan L. Wiley, Victoria D. Williams, Kenzie Arnold, Alphonso Brandon, Myron Eugene Brent, Rita Estella Callett, Thyenia Foster, Jeffery Griggs, Larry Dean Hahn, Michael A. Howard, Douglas Allen Johnson.

Final concert Tuesday

The final "Music Under the Stars" concert will take place Tuesday at 8 p.m. at the Wilson Park Ice Rink. Admission is free.

The children and adult choruses will present "Television Take-offs," songs made popular through television shows and commercials. The groups will present acts such as: "Mickey Mouse Club," "The Gong Show," "Hee-Haw,"

Boy Scouts at Sunnen

Boy Scouts from the Quad-Cities area spending this week at Camp Sunnen, near Potosi, Mo. are:

Troop 16, sponsored by Granite City Jaycees, Leslie White, leader; Jack Vize, commissioner; Scouts James Hillmer, Larry Hanson, Ricky Walker, Kenny Phillips, Kevin Greene, Craig Vize, Richard Miller, Barren Miller, John Garner, Charles Lowry, Darren Yareck, Richard Hargrove.

Troop 20, Webster School PTA, Bob Shane, leader; Scouts, Tony Suberland, Roy Bradford, Richard Bradford, Ricky Gauen, Richard Deal.

Troop 33, International Order of Odd Fellows, G. W. Thornburg and Cliff Robertson, leaders; Scouts, James Bradley, John Menendez, Richard Rans, David Sheikh, Doug Thornburg, Jeff Welborn, Derek Robertson.

Juvenile faces cannabiz charge

A patrolling officer found two young people seated in a car in the 2100 block of Nevada Avenue at 2:15 p.m. Thursday and stood alongside the vehicle as a 16-year-old youth puffed on a marijuana cigarette then proceeded to pass it to a man in the rear seat who saw the policeman.

A bag of vegetation, which appeared to be marijuana, was produced by the juvenile from his overall pocket and given to the officer.

The juvenile was charged with possession of cannabis and later released to a relative in report at police headquarters Friday morning.

Robert Coble, 19, of 2617 W. 22nd St., was charged with disorderly conduct. He was released on payment of \$33 cash at 7 p.m. Thursday.

UNDERCOATING—RALPH PERAZZO, 22ND & MADISON AVE.

Rankin, others named to state advisory panel

Governor James R. Thompson announced Thursday the following members of the Illinois Advisory Council on Adult, Vocational and Technical Education: Kathleen Arns, Skokie; James H. Adams, Godfrey; Bernice Johnson, Wilmette; Dr. Larry Bailey Murphysboro; Dr. Charles V. Brady, Wilmette; Dr. Larry Bailey Murphysboro; Dr. Charles Brady, Springfield.

Mrs. Mary Anne Bloomquist, Chicago; Norbert Ossli, Mt. Prospect; Mrs. Naomi Burton, Chicago; Dr. Arthur W. Decabooter, Kewanee; Debbie Coniglio, Wheeling; Donald L. Duster, Chicago; Joseph J. Dixon, Chicago; Dr. Rupert N. Evans, Champaign.

J. Clark Kearney, Chatham; John Garth, Arcola; Mrs. Robert (Bea) Forrest, Chicago; Fred Johnson, Chicago; Richard N. Gumbel, Pekin.

Mrs. Marjorie McCray, Belleville; Peter Johnson, Sycamore; Dr. John M. Mori, Ottawa; Mrs. Guadalupe McDougald, Chicago; Robert A. Murphy, Chicago; Jack J. Mostowski, Rock Island.

Mrs. Glenita Pensoneau, Fairview Heights; Richard D. Oliver, Champaign; Wardell J. Riggs Sr., Harrisburg; K. Duane Rankin, Venice (Venice-Lincoln Technical Center Director); Harold A. (Al) Sherline, Mattson.

Tips on avoiding Rocky Mountain Spotted Fever

By MARY RICHARDS
Illinois Department of Public Health

Nearly 20 cases of Rocky Mountain Spotted Fever have occurred in central and southern Illinois this summer. During all of 1976, just seven cases of this disease were reported in the state, and 14 cases occurred in each of the three previous years (1973, '74 and '75).

Fever is a severe disease transmitted to humans by a tick which has bitten an infected wild animal, such as a jack rabbit, snowshoe rabbit, meadow mouse, park rat or squirrel.

Symptoms, which usually develop three to 10 days after the bite of an infected tick, include fever, muscle ache and nausea.

Patients usually develop a rash on their hands, feet, arms and legs about three days after the symptoms begin. Prompt medical attention is essential, and it is important that the patient tell the physician about any recent tick bites.

As with all health problems, prevention is the best idea. The surest prevention, of course, is to stay away from places that might be infested with ticks. But, for those who plan to spend time this summer camping or hiking in the woods, the Illinois Department of Public Health has some tips on how to lessen the risk of contracting Rocky Mountain Spotted Fever.

If you are in an area that might be tick-infested, wear tight clothing with long sleeves and trousers. Wear high boots, leggings or socks — and wear them outside your trouser legs.

Another precaution is the liberal use of tick repellents. Any of the commonly available insect repellents which contain either diethyltoluamide or dimethyl phtalate are effective against ticks.

You may not be able to pronounce these chemicals but you will probably recognize them if you read the label. Remember that repellents should be used in addition to, not instead of, protective clothing.

Check your body and clothing several times each day for the presence of ticks. Children should be examined every three to four hours, especially around the scalp and back of the neck. Ticks seldom attach at once, and rarely transmit infection until they have fed for several hours.

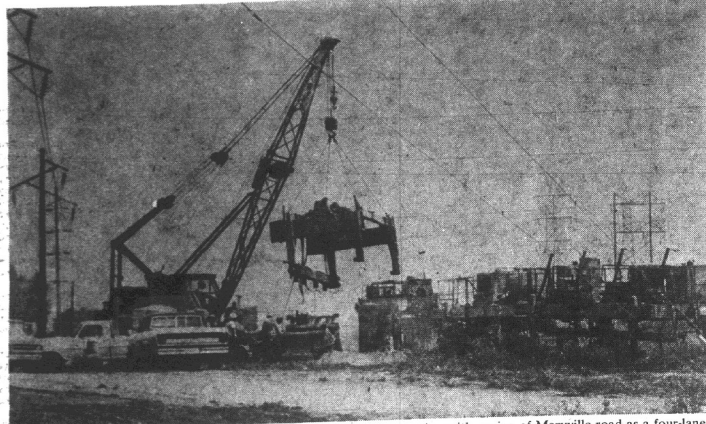

If you find a tick, remove it with a pair of tweezers or with a piece of paper held between your fingers. Either of these methods of removal is better than using a lighted cigarette or a hot match.

Do not squash the tick. If it is infected, this could spread the disease.

The best way to dispose of a tick is to flush it down the toilet or burn it in the campfire. After handling a tick, wash

your hands thoroughly with soap and water. The wound itself should be cleansed with abundant amounts of soap and water. Any of the common skin antiseptic solutions should then be applied to the tick wound.

Treat all tick bites this way, as there is no way to distinguish the bite of an infected tick from the bite of a non-infected one.

HEAVY EQUIPMENT used for paving is lifted off a truck on the Maryville Road construction site last week near Highway 162. The equipment is unloaded in connection with paving of Maryville road as a four-lane thoroughfare.

Some eligible for past food stamp refunds

The Illinois Department of Public Aid has announced that certain individuals may be eligible for retroactive food stamp benefits or a refund.

Those affected are persons whose food stamp applications were denied or benefits reduced because of the reported receipt of payments from the Department of Housing and Urban Development (HUD) between Aug. 5, 1974, and the present time.

To establish eligibility for these past benefits, applicants must have stated on their food stamp application form that HUD was making part of the rent or mortgage payments for them.

These payments could be covered under any one of their programs, including:

- 1) Section 221(d) (3), Rent Supplement Program.
- 2) Section 235, Mortgage Assistance Payments Program.
- 3) Revised Section 23, Leased Housing Program, or
- 4) Section 8, Housing Assistance Payments Program.

Persons with any questions about such eligibility may contact their local public aid office, it was noted.

SUIT FILED

Linda Hordesky has filed suit in Madison County Circuit Court seeking \$25,000 from Morris Chapman Jr., of Granite City, as the result of a rear-end collision auto accident in Edwardsville on Nov. 23, 1976, in which she alleges she was injured.

Madison school term to begin on Aug. 25

Madison schools will begin the new school term on Thursday, Aug. 25, with a teachers institute on Wednesday, Aug. 24.

Notification of approval of the schedule was read to the Madison School Board at its meeting Thursday evening.

Harold E. Briggs, Superintendent of the Education Service Region, notified the board by letter that approval was given for 183 pupil attendance days and three institute days, which meets the requirements of the Illinois School Code.

The other two teachers institute days are scheduled on Oct. 11 this year and Feb. 17, 1978.

Briggs also informed the board that his office has approved the extension of multiple shift scheduling in the Madison Junior High School for the school year 1977-78. The need for split shifts will be eliminated after the new middle school is constructed.

The new school is scheduled to be in use by the fall of 1978. This will represent the sixth year of multiple shift scheduling at the junior high school.

The board accepted with regrets the resignation of Mrs. Margaret Blackhere who has accepted a position in Springfield with the American Federation of Teachers.

It was noted that a position is open in the kindergarten through Third grade (K-3) and preferences will be given to

those qualified and living within the Madison School District. Superintendent John Patchef reported to the board that the soft drinks machines in the high school cafeteria are non-commissioned accounts, and the school district receives no monies from them.

It was reported that the investigation by the superintendent, revealed the machines had been rated this way for three years. Prior to that, approximately \$600 a year was received by the district from the machines.

Patchef was instructed to contact the company about either removing the machines or changing the system so that some income is received.

The board discussed the possibility of putting in machines owned by the district.

INJURED AND CHARGED IN STREET ALTERCATION

Authorities charged Arthur Billick, 35, of 639 Jefferson Ave., Venice, with battery following an altercation at 1:35 a.m. Saturday in the 1000 block of Iowa Street, Madison. He was hospitalized with lacerations to his lower lip and a head injury.

Lonnie L. McFarland, 1001 Iowa St., Madison, said he was standing on a sidewalk in front of the Sportsman's Club when a man crossed the street and attempted to strike McFarland with a pool cue stick. He said he wrestled his assailant into the street as police arrived.

Multiple charges

Granite City authorities arrested James Moore, 53, St. Louis, for allegedly driving while intoxicated and attempting to bribe a police officer following an incident at 10:15 p.m. Friday near West 20th and Spruce Streets.

Police said Moore was stopped for questioning about a damaged auto he was driving, and for questioning after police received reports of a unidentified man attempting to provide rides to girls. Moore allegedly offered police \$25 at the scene and repeated the offer again at the police station.

Course in winemaking

The SUE Office of Conferences and Institutes will offer a course in winemaking beginning Aug. 4.

Classes will meet Thursdays from 7 until 9 p.m., with the first meeting in Room 1313 of Peck Classroom Building. The remaining classes will be in Highland.

The course is designed to introduce the novice to the winemaking art and help the experienced improve their product. Coursework will cover making wine from grapes, and winemaking using other fruits will also be discussed.

Instructor will be Al Felchla, supervisor of building maintenance at the university. Registration will be \$10.

The course will run concurrent with grape ripening, allowing students to observe fermentation and testing of the juices prior to and during the fermenting process.

Additional courses in winemaking will be offered in October and next March.

Water firm to check hydrants for pressure

The East St. Louis and Interurban Water Co. will commence a hydrant flushing program in Madison this week.

Each hydrant throughout the city will be flowed to its capacity.

Flow pressures and general condition of the hydrants are recorded. The work will take four days.

Because of the increase in velocity in the water mains in the area in which a hydrant is being flushed, there may be some discoloration in the water, a spokesman said. This is not unusual and the water is perfectly safe. The cleanliness will return to the water within a few hours, he noted.

This program is designed to insure that the city is provided with adequate and reliable fire protection, according to Robert Jackson, district manager.

DAUGHTER IS BORN TO MR. AND MRS. BRAD SMITH

Mr. and Mrs. Brad Smith of Memphis, Tenn., formerly of Granite City, are announcing the birth of their first child, a daughter, named Heather Dawn. She was born July 4, and weighed six pounds, 15 ounces.

Maternal grandparents are Mr. and Mrs. Norman Blockberger of Mitchell, and the paternal grandparents are Mr. and Mrs. Bruce Smith of Granite City.

STATE LOAN AND SAVINGS ASSOCIATION

Niedringhaus and Edison Avenue
GRANITE CITY, ILL. 62040

WE MAKE IT HAPPEN!

Earnings rise in 2 quarters

Post Corporation has earned \$1,302,601 or \$1.46 a share during the first six months of this year, compared with \$798,174 or 91 cents a share during the comparable period of 1976, it was announced Thursday.

The newspaper and broadcasting firm said its second-quarter profits were \$466,289 or 56 cents a share, compared with \$635,077 or 72 cents a share for the comparable period last year.

A spokesman said continued strong demand for advertising at all its newspapers and TV and radio stations is the major factor in the earnings increase.

The company's newest properties — Sun Newspapers of Cleveland, Ohio, and The Polk Shopper of Lakeland, Fla. — contributed to earnings for a full quarter for the first time.

An additional factor was a sharp drop in the loss experienced at the firm's Milwaukee newspaper group, the spokesman said. The second quarter loss was less than half that of last year's comparable period.

The firm's newspaper group in suburban Boston, which was losing money a year ago, is now solidly in the black, the company said.

On the expense side, an increase in interest costs from \$96,551 in last year's second quarter to \$201,214 this year was a significant item.

It was caused by the company's borrowing money for its cash purchase of the Cleveland and Lakeland papers, and for a payment securing Post's agreement to acquire Station WOKR-TV, Rochester, N.Y.

The latter purchase is awaiting approval by the Federal Communications Commission.

ROBBED AT APARTMENT James Clubb, 1728 Cleveland Blvd., reported at 2:40 a.m. Saturday that when he answered a knock at his apartment door, three persons entered and removed a battery charger valued at \$28 and Clubb's brown wallet containing \$97 and \$12 worth of food stamps.

Benefits outlined

An announcement Friday supersedes earlier Illinois Public Aid Department information issued June 28 on U.S. changes in one and two-person family size allotment amount and one-person family maximum income standards for food assistance.

Increases in food stamp allotments and income eligibility levels for low-income families participating in the food stamp program became effective July 1.

According to Arthur F. Quern, director of the IDPA, the increases reflect a rise in the U.S. Department of Agriculture's income poverty guidelines and an adjustment in single person family allotment amounts. Income standards for one and two-person households also increased.

Coupon allotment amounts by family size effective July 1 are:

One person, \$52 allotment.
Two, \$94.
Three, \$134.
Four, \$170.
Five, \$202.
Six, \$242.
Seven, \$268.
Eight, \$306.
For each additional household member over eight, add \$38 to the eight-person amount, Quern said.

Since income eligibility levels are tied to the size of food stamp allotments, these levels also will increase in most cases. The net income limit for a family of four will increase from \$553 to \$567 per month.

Maximum allowable income standards by family size effective July 1 are:

One-person family, \$262 maximum income.
Two, \$344.
Three, \$447.
Four, \$567.

GRANITE CITY PRESS-RECORD

MOTORCYCLE MISHAP
Donald Moyer, 23, of St. Louis, who reported being injured in a motorcycle accident, was treated Thursday at St. Elizabeth Hospital for a laceration to the right leg and abrasions to the left shoulder and below the left eye. He had x-rays taken and was released after being sutured.

Five, \$673.
Six, \$697.
Seven, \$808.
Eight, \$1,020.
For each additional member over eight, add \$127 to the eight person eligibility level, it was related.

Persons who wish additional information about the food stamp program are being asked to contact the nearest Illinois Department of Public Aid office.

FROM SUNDAY, JULY 24, THRU SUNDAY, AUG. 7, 1977

BUSINESS LEADERS OF FUTURE. Linda Holder, left, and Renee Sharp discuss the variety of careers open to women entering the business field. The two Granite City High School South seniors took part in a St. Louis University business program supported by a grant from the Monsanto Fund. The two-week summertime program was designed to familiarize high school women with different phases of business, such as

advertising, accounting, economics, finance, marketing and management. The program was conducted by the University's School of Business and Administration. The girls visited area businesses and attended lectures by university faculty. They were nominated for the program by their high school counselors on the basis of academic achievement and leadership potential.

Public Notice 34 Public Notice 34

PROPOSED FLOOD ELEVATION DETERMINATIONS FOR THE CITY OF GRANITE CITY, MADISON COUNTY, ILLINOIS

AGENCY: FEDERAL INSURANCE ADMINISTRATION, HUD
ACTION: PROPOSED RULE

SUMMARY:
Technical information or comments are solicited on the proposed base flood elevations (100-year flood) listed below for selected locations in the City of Granite City, Madison County, Illinois.

These base flood elevations are the basis for the flood plain management measures that the community is required to either adopt or show evidence of being already in effect in order to qualify for or remain qualified for participation in the National Flood Insurance Program (NFIP).

DATES:
The period for comment will be ninety days following the second publication of this notice in a newspaper of local circulation in the above-named community.

FOR FURTHER INFORMATION CONTACT:
Mr. Richard Krimm, Assistant Administrator
Office of Flood Insurance
(202) 765-5581 or Toll Free Line (800) 424-8872
Room 3270
461 Seventh Street, Southwest
Washington, DC 20410

SUPPLEMENTARY INFORMATION:

The Federal Insurance Administration gives notice of the proposed determinations of base flood elevations (100-year flood) for the City of Granite City, Madison County, Illinois in accordance with Section 110 of the Flood Disaster Protection Act of 1973 (P.L. 93-234), 87 Stat. 960, which added Section 1363 to the National Flood Insurance Act of 1968 (Title XII of the Housing and Urban Development Act of 1968 P.L. 90-448), 82 U.S.C. 4001-4128, and 24 CFR Part 1917.

These elevations together with the flood plain management measures required by Section 1910.2 of the program regulations are the minimum that are required. They should not be construed to mean the community must change any existing ordinances that are more stringent in their flood plain management requirements. The community may at any time enact stricter requirements on its own, or pursuant to policies established by other Federal, state or regional entities. These proposed elevations will also be used to calculate the appropriate flood insurance premium rates for new buildings and their contents and for the second layer of insurance on existing buildings and contents.

Maps and other information showing the detailed outlines of the flood-prone areas and the proposed base flood elevations are available for review at the City Clerk's Office, City Hall, 2000 Edison Avenue, Granite City, Illinois.

Any person having knowledge, information, or wishing to make a comment on these proposed elevations should immediately notify the Honorable Paul Schulz, Mayor of Granite City, City Hall, 2000 Edison Avenue, Granite City, Illinois 62040.

The proposed 100-year flood elevations for selected locations are:

Motorists causing dust problems on Maryville

Motorists who are using the newly constructed Maryville Road area for through travel are causing multiple problems for both neighborhood residents and for construction workers, city officials reported last week.

As a result, entrances to the area between Pontoon Road and Clark Avenue, and between Terminal Avenue and Highway 162, will be closed off, according to City Engineer Monroe Brewer. Some parts of the roadway, although construction work is underway, are used by neighborhood residents for access to their homes.

"We realize it is not possible to cut these people off in gaining local access to their homes, but

a lot of motorists are using the roadway wherever they can get on it and are causing many problems," Brewer said.

He noted that heavy dust clouds caused by cars on the rock and shale base "really fogs up the area and lays a coat of white dust on everything."

Alderman Earl Baker of the Sixth Ward and Alderman Ronald Coleman of the Seventh Ward suggested at last week's council session that something be done because of the dust problem. Baker, who also is chairman of the council's Fire and Water Committee, said he had a fire pumper wet down one area last week because the dust was so bad.

"There is no need for a lot of these cars to be on the roadway," Coleman said, adding that "it is giving the people along Maryville Road a bad time."

Begin arrests on Maryville construction

Granite City police have begun regular checks of sections of Maryville Road which are under construction and have not yet been opened to traffic.

Some arrests were made during the weekend and additional arrests are anticipated on the Maryville Road construction areas between Pontoon Road and Clark Avenue and between Terminal Avenue and Route 162.

Officers have been ordered to charge with trespassing anyone found using a construction area as a roadway.

On several occasions, officers found barricades closing the roadway had been removed and several cars using the roadway, particularly between Pontoon Road and Clark Avenue. Concrete paving is planned in that area initially.

It was noted that heavy equipment and other obstacles are in the construction area, which is not safe for traffic.

Passenger hurt in car accident

A collision on Namooki Road at Johnson Road at 10:25 p.m. Thursday, resulted in injuries to a passenger in the vehicle of Richard E. Kagy Jr., 4054 Stearns Ave. Driver of the other vehicle was Henry C. Stoll, 2548 Iowa St.

Taken by ambulance to St. Elizabeth Hospital was Mrs. Tammy Kagy, 18, of the Stearns Avenue address. She had pain in the left shoulder and neck and had x-rays taken and was released.

Meet Tuesday on Ill. Power Co. dispute

A federal mediator in Decatur has called for a meeting at 10 a.m. tomorrow between Illinois Power Co. officials and negotiators for 2,440 striking members of the International Brotherhood of Electrical Workers (IBEW).

The IBEW members have been on strike against IP since July 8. Tomorrow's meeting will be the third since the strike began. The last was held on Tuesday in Decatur.

Supervisory personnel are conducting all of IP's operations during the company-wide strike. IBEW locals on strike are Locals 51, 302, 702 and 1306.

A company spokesman declined to comment on whether progress has been made in the negotiations, thus far.

Burglars net \$779 in loot

Leroy Laws, 2626 Edison Ave., reported Thursday that items taken in a burglary at 1541 E. 20th St., were valued at \$779.

A rear window was broken and the items were removed through a rear door. Missing are a soda machine, valued at \$200, gas furnace, \$150, refrigerator, \$150, twin cylinder air compressor, \$125, two 3-by-5-foot wooden tables and 10 wooden chairs, \$80, and \$74 worth of soda bottles.

ANNOUNCEMENT OF INTENT TO PERFORM FLOOD ELEVATION STUDY

The Federal Insurance Administration of the U.S. Department of Housing and Urban Development announced today that under authority of the National Flood Insurance Act of 1968 (P.L. 90-449), as amended, and the Flood Disaster Protection Act of 1973 (P.L. 93-234), it will fund a detailed study of the flood hazard areas in the city of Madison, Illinois.

The study will be performed for the Federal Insurance Administration by the U.S. Army Engineer District, St. Louis, Corps of Engineers, St. Louis, Missouri, under the supervision of Kenneth D. Corbin, Chief, Flood Plain Management Services.

The purpose of this study is to examine and evaluate the flood hazard areas in the community which are developed or which are likely to be developed and to determine flood elevations for those areas. The study will also be used by the community to carry out the flood plain management objectives of the National Flood Insurance Program. Flood insurance premium rates applicable for new buildings and their contents, as well as determining the rates to be used for the second layer of insurance on existing buildings and contents.

This announcement is intended to notify all interested persons of the commencement of this study so that they may have an opportunity to bring any relevant facts and technical data concerning local flood hazards to the attention of the Federal Insurance Administration for consideration in the course of this study. Such information should be furnished to Mr. Mike Sisk, the Chief Executive Officer of the community, for forwarding to FIA.

IF YOU have a swarm of bees land in your yard call 451-1380 and I will come get them. 30 7 28

NOTICE FOR PUBLICATION

TO: RUTH STONER (MOTHER OF JAMES C. KIMBRO, JR.) 77-J-229 and to All Whom It May Concern: Take notice that on the 18th day of July, 1977 a petition was filed under the Juvenile Court Act by State's Attorney in the Circuit Court of Madison County entitled "In the interest of James C. Kimbro, Jr., a minor and that in Circuit courtroom at Edwardsville on the 19th day of August at the hour of 1:30 P.M., or as soon thereafter as this cause may be heard, an adjudicatory hearing will be held upon the petition to have the child declared to be a ward of the court under that Act. The court has authority in this proceeding to take from you the custody and guardianship of the minor, and to appoint a guardian with power to consent to adoption of the minor. Now, unless you appear at the hearing and show cause against the petition, the petition may be taken for confessed as against you and each of you, and an order, judgment or decree entered.

LIMITED WARRANTY DISC BRAKE PADS BRAKE LININGS

Our brake linings and disc brake pads are warranted against defects in material and workmanship for the specified warranty period. If brake linings or pads installed by our service department wear out within the specified warranty period, we will furnish new warranted replacement linings or pads at no charge upon presentation of sales receipt at K mart by the original owner. Installation cost, per axle, will be prorated on the percentage of warranted miles actually received, charging only for the use period.

SERVICES INCLUDE:

1. Replace brake linings
2. Turn drums
3. Rebuild wheel cylinders (if possible)
4. Repack front wheel bearings
5. Adjust brakes
6. Bleed hydraulic system and refill
7. Road test

SERVICES INCLUDE:

1. Oil change (choice of 5 qts. any brand or weight in stock)
2. Install 1 K mart brand oil filter
3. Chassis lubrication (fittings extra)
4. Brake fluid (if needed)
5. Gear lube (if needed)
